NORTH HEAD, GRAND MANAN.—An... Easter service was conducted by the... Sabbath School children on Easter... morning, and the programme consist... ing wholly of Easter selections, was... impressive and interesting. At the... regular service hour, the church was... filled with an attentive congregation... the children marched into the church... as the last bell ceased ringing. The... programme was announced by a boy of... ten years, and the only part taken by... adults were the opening and closing... prayers by the Superintendent, and a... special selection by the church choir... during collection. This is the second... children's service conducted here since... the New Year. The first one, a Sow... ing a D R aping Exercise, about two... months ago, was very successful. To... churches that have not made special... efforts for children's services, we would... say begin at once. Children delight... in the songs, recitations and Scripture... exercises, and the truths thus implanted... cannot but bear fruit. We find that... each service of the kind tends to make... our children loyal to the church, in... which they are active.

UPPER HAINESVILLE, Y. Co.—We... have closed the special meetings at... Hainesville. Eleven were baptized... since the last report, making seventeen... in all, of which twelve were young... men, one middle-aged man, one married... woman, and three young women. Thirteen... of these, with two others who had... been baptized before, and two on... experience, joined the church; two... joined the Staples Settlement church... We all got a great up-lift, everything... considered. I think nearly every one... of the church members took their place... including a number that had not been... heard from since they joined.

The church and congregation met at... the Hall Monday night, 16th for a... social entertainment. Deacon Charles... Knox was appointed chairman. Ref... eshments were provided by the ladies... and the meeting was very pleas... ant. The chairman, in a few well... chosen words, presented me with forty... dollars, as an expression of his... esteem for the work done; and I tried... to thank them. Mrs. Perry joins... with me in thanking the many friends... for their kindness.

MARYSVILLE, N. B.—Easter Sunday... was a lovely day—of genial warmth... and full of gladness and sunshine. It... was easy for one to fall in with the... universal thought, and preach on the... resurrection of Jesus. I did this. App... riate singing had been provided, and... the people came deeply interested to... hear of Christ the divine Saviour who... established his divine character by tak... ing his life again after he had laid it... down. Some of the brethren and sisters... in the joy kindled by their faith in a... risen Saviour, manifested it in making... the church a garden of delight; beautiful... lilies, in generous profusion, decorated... the pulpits and platforms, filling the air... with their delicious fragrance, and deli... ghting the eye with their spotless beauty... and conveyed to each heart a message of... joy. The sermon had for its theme the... gladness of the disciples when they saw... their risen Lord. It was listened to... with deep attention by an unusually... large congregation. All the services... of the day were largely attended and... of deep interest.

The Sunday School, under the effi... cient superintendence of brother S. J... Hallett, assisted by his staff of devoted... teachers, prepared an entertainment... consisting of singing, recitations, read... ings, dialogues &c. for Easter Monday... evening. The weather was all that... could be desired—mild and moonlight... The pastor on the Sunday previous... requested the church and congregation... to give the Sunday School a generous... patronage, as an encouragement for... their laudable effort to instruct and... entertain. The response was hearty... and generous. At an early hour the... people filled the church to its last... extemporized seat. The selections for... the entertainment were, largely, associ... ated with the resurrection of Christ, and... were instructive and pleasing. The church... was decorated most tastefully with... flowers and evergreens and drapery, flags... &c; many of the dialogues &c were rendered... more impressive and attractive by appropriate... surroundings. Individual commendations... for excellence is quite uncalled for... when all did so well. I am sure the large... audience was delighted. The admission... fee was merely nominal, yet it netted... the Sunday School over thirty dollars... Just before the close of the entertain... ment the Superintendent was given a... genuine surprise. The pastor, on behalf... of the officers, teachers and scholars of... the Sunday-school, presented brother S. J... Hallett with a very flattering and com... plimentary address, expressing their high... regard for him personally, as well as com...

mending his devotion to Christ, as... manifested in his self-sacrificing faith... fulness in Sunday-school work. They... expressed their appreciation of the... intelligence and skill, that have enabled... him to bring the Sabbath School to its... present state of efficiency and useful... ness, and they earnestly prayed that... God would give him, as their Superint... endent, a long career of usefulness, and... give him to see scores of the children... of the school brought into the fold of... Jesus, "and become the sons and daugh... ters of the Lord Almighty."

The address was accompanied by the... presentation of a beautiful oak book... case as a token of esteem and confi... dence. Bro. Hallett's emotions were... stirred by this unlooked for expres... sion of the thoughtful kindness of his... school, as well as their appreciation of... his work, that he found it difficult to... express his feelings. He, however, suc... ceeded in doing so after a time in a... most suitable way, emphasizing the wish... expressed by the teachers, that we especially... labour to bring the children to a saving... knowledge of Jesus. To close, the audience... joined in singing "God Save the Queen."

Eighteen have been... baptized and a grand work done among... backsliders. It was an impressive... sight on Sunday last (Easter) to see... such a large number seated at the Lord's... table—about one hundred gladdened... our hearts and greatly encouraged us... in the work in this church.

The Story of a Woman Ad... dressed to women.

IT TELLS HOW THOSE WEAK AND DESPOND... ENT CAN OBTAIN NEW HEALTH AND STRENGTH... AT A SMALL EXPENSE—THE FACTS FULLY VERIFIED BY INVESTIGATION.

From the Mail, Granby, Que

The reading public have evidence... put before them almost every day of... the healing power of Dr. Williams'... Pink Pills. It is sometimes asked... whether these cures are permanent, and... in reply to this we would say that a... case which recently came to the at... tention of the Mail indicates that the... results following the use of this medicine... are as lasting as they are beneficial. Some... years ago Mrs. Robert Webster who... is well known in Granby, passed through... a very serious illness in which her... condition very nearly bordered upon... collapse. Her blood appeared to have... almost turned to water. She was very... weak, her appetite sickle, and she... suffered from severe headaches. Mrs... Webster had the benefit of excellent... medical advice, but apparently without... avail, as she seemed steadily growing... worse. The least exertion would... fatigue her, and finally she was for a... time unable to do her housework, and... was confined to bed. Her husband... suggested the use of Dr. Williams'... Pink Pills and purchased a few boxes. Mrs... Webster had not been taking the pills... long before she found herself grow... ing stronger. Her headaches disappeared... her appetite improved, new blood... appeared to be coursing through her... veins, and her nerves again became... strong and active. After using the pills... for a couple of months she felt as... well as ever she had done in her life, and... could do her housework without feeling... the fatigue that had formerly made... her life so miserable. This, as already... indicated, happened some years ago, and... in the period that has elapsed Mrs... Webster has enjoyed the best of health. She... says that if she feels at any time a little... run down she takes a few doses of Dr... Williams' Pink Pills and is soon all right, and... she thinks there is no medicine to equal... them. Mr. Webster, speaking of his wife's... cure, says Dr. Williams' Pink Pills did... her a thousand dollars worth of good, and... friends who know her condition before... she began the pills and saw the effect upon... her, say the same thing. There are a number... of others in this vicinity who have used... this great medicine, and so far as the... Mail can learn the results have always... been beneficial.

There are thousands of women... throughout the country who suffer as... Mrs. Webster did, who are pale, subject... to headaches, heart palpitation and... dizziness, who drag along frequently... feeling that life is a burden. To all... such we would say give Dr. Williams'... Pink Pills a fair trial. These pills... make rich, red blood, strengthen the... nerves, bring the glow of health to... pale and sallow cheeks, and make the... feeble and despondent feel that life is... once more worth living. The genuine... are sold only in boxes, the wrapper... bearing the full name "Dr. Williams'... Pink Pills for Pale People." May be... had from all dealers or by mail at 50c... a box or six boxes for \$2.50, by ad... dressing the D. Williams' Medicine... Co., Brockville, Ont.

SCOTT.—At Ward Settlement, York Co.,... on the 23rd of February, Hannah Ann... wife of R. Bert Scott, aged 45 years, leaving... a kind and loving husband and four sons... to mourn their loss. Sister Scott was not... in good health for some time, but was able... to be about until a few weeks before her... death. For her to die was gain. She... gave her heart to the Lord about one year... and six months before her death, and was... kept in peace until the end. The funeral... service was conducted by the writer, as... assisted by the Rev. Mr. Gregg, (Methodist)...
J. N. BARNES.

MCKEEL.—At Taxis River, York Co.,... on the 2nd instant, William McKeel, aged... 34 years. He was confined to his house... for four years with consumption, during... which he suffered much but was well cared... for by his loving sisters, and his brother-in... law Edward Wilson. My first visit to... him was about one year before he died,

"The Best is Cheapest."

We learn this from experience in... every department of life. Good clothes... are most serviceable and wear the... longest. Good food gives the best nu... triment. Good medicine, Hood's Sarsaparilla... is the best and cheapest, because it... cures, absolutely CURES.

Rheumatism.—"I was practically... helpless from rheumatism in my... shoulder. Hood's Sarsaparilla cured... me." Mrs. M. E. Powers, 4812 St. Lawrence... Ave., Chicago, Ill.

Hood's Sarsaparilla
Never Disappoints

Hood's Pills cure liver ills; non-irritating and... only cathartic to take with Hood's Sarsaparilla.

At that time, as he told me, he was not at... peace with God. At my second visit, God... by His Holy Spirit, revealed to him the... blessed light of the gospel, and gave him... peace and joy through Jesus Christ. His... delight was to hear the word of God read... and prayer, and to converse about his... future home in heaven. Rev. Mr. Knight... also visited him a number of times, and... rejoiced with him in his Saviour. He... leaves three sisters to mourn with a... number of relatives and friend. The... funeral sermon was preached by the writer... being assisted in the service by Rev. Mr... Knight, (Methodist).

J. N. BARNES.

MCLEOD.—At Johnston, Q. Co., Feb. 23th... of consumption, Wilmoit L. aged 19... years and 8 months, third son of late J... Hiram and Rachael S. McLeod. WILLIAMS.—Elizabeth, beloved wife of... Richard Williams, of Woodstock, de... parted to be with Christ, on the 18th... inst., at Fredericton, where a few days... before she had gone to visit friends. She... became a christian forty years ago and... was baptized at Southampton, by Rev... Father Knowles. She lived consistent... with her profession was a member of the... She was in the 68th year of... her age, and leaves a sorrowing husband... one son, and one daughter and many re... latives to mourn.

J. W. C.

BLIZZARD.—At Macdonald's Point, Wickham... Q. C. on the 10th April, Mrs. Amy Blizzard, aged 107 years and 8... months. She was born in 1792, in the... parish of Gagetown, Q. C. Her father was... Oliver Akmerley a loyalist of New York, and... her mother was Lucy Ward of Cumber... land. In 1811 she married Thomas Blizzard... of Cambridge Q. C., who died over... thirty years ago. They had sixteen... children, eight sons and eight daughters... ten of whom are living. They had nearly... hundred grand-children, and over a... hundred great-grand-children. She retained... her mental faculties, bersight and hearing, and... a good degree of activity until the last... She was converted under the ministry of... Rev. W. E. Pennington, and was baptized... by him in 1836 and became a member of... the Free Baptist church. Through her... long christian pilgrimage of 64 years she... adorned her profession by a well ordered... life and godly conversation. The closing... years of her life were happily spent with... her daughter Mrs. W. B. Smith at... Macdonald's Point. For several years past... her birthday was celebrated by a gathering... of her kindred and friends. She was... buried in the beautiful cemetery at... Macdonald's Point. The funeral service was... conducted by Rev. A. B. Macdonald.

SLIPP.—On the morning of April the... 11th, Elisha Slipp, of Jacksonville, Car... Co., peacefully passed away from the scenes... earthly to those that are heavenly and... eternal. His sudden and altogether un... looked for departure was a great shock... to his friends, and to the entire... community. Brother Slipp was returning... from Woodstock, to his home at Jackso... ville, when he was suddenly taken ill, and... was removed from his sleigh to the home... of Mr. Treartin at Upper Woodstock. His... family was at once summoned as was... also the family physician. Soon all were... at his side. But human effort and medica...

skill were ineffective to restore to physical... comfort or health the loved one who was... surely sinking. After lingering through... that never-to-be-forgotten afternoon and... night the death winged angel arrived, and... escorted him from the tenement of... clay, in which he had lived for nearly... sixty three years, to the house of many... mansions. Our late brother was born at... Hampstead Queens Co., removing to... Carleton Co. about twenty-six years ago. He... very soon obtained the confidence and... respect of all the people and retained them... through all the years. As an agricultural... he was rated high, and was one of the... most prosperous farmers in the county. He... was one of the stockholders, and a... director, of the "Maritime Pure Food... Company." But better than all this, he... was a christian. When but a boy he... professed his faith in Jesus Christ, was... baptized by Rev. J. Perry, and united with... the Upper Hampstead Free Baptist... church. His was a useful and good life, and... his home was one of pleasantness and... hospitality. The writer is one of many... of G. d's servants and people, who... recalls with pleasure visits made our... departed brother and his family. The... funeral was on the afternoon of the 12th... inst., and was very largely attended. The... services, which were conducted by the... undersigned, were participated in by Rev... J. Noble, Rev. Atkinson and Todd (Baptist) and Rev. James Crisp (Methodist);... Text Rev. 7:9-10. May the Divine Spirit... comfort our bereaved sister, the two... daughters and three sons, who deeply... mourn for him whom as husband and... father, they will greatly miss.

J. W. CLARKE.

DENNISON.—At Marysville, York Co.,... on the 16th inst. of consumption, Eldon... H., only son of John M. Dennison, in the... 21st year of his age. For seven months... this young brother lingered under the fatal... influence of the "destruction that wasteth... at noonday," before death came to his... aid. He gave his heart to Jesus during... his illness and was sustained and cheered... in his suffering, by a conscious assurance... of the Saviour's presence and love. He... was clear in his thought to the very last, and... read the end was near. Just a few... moments before he passed away, as the... writer quoted the familiar words "Though... I walk through the valley of the shadow of... death I will fear no evil; for thou art... with me; thy rod and thy staff they comfort... me." He responded clearly and confidently... "He is with me." The funeral service... was preached by the writer, was held... first at his father's residence, Marysville, when... a large congregation gathered after... singing, reading the Scripture, a short... address and prayer, at his own request his... remains were taken to the cemetery at... Penniac and laid beside those of his mother... A sermon was preached by the writer in... the Penniac church to a large congrega... tion of relatives and friends. The death of... this bright young man is having a marked... influence for good upon his young associates... in this community, and we are praying... that his affectionate admonitions to them... to seek the favour of God, may be held... upon at once. Brother Dennison and... family have the sympathy of a host of... friends, in their bereavement.
