PAIN AND DEJECTED

The Trying Condition of Many Women.

SUBJECT TO HEADACHES, DIZZINESS AN HEART PALPITATION, THEY GROW DIS-COURAGED AND PREMATURELY OLD.

From the Review, Windsor, Ont.

"Dr. Williams' Pink Pills is the only medicine that ever gave me any real benefit," said Mrs. R. K. Harris, representative of the Review recently. | borrowed. "I do not know exactly what my trouble was; doctors seemed unable to tell me, though I thought myself it ? was consumption. I had a constant hacking cough, and a constant feeling of languidness. My blood seemed to have turned to water, and I was very pale. I had a feeling in my chest as though some foreign substance was lodged there. The slightest noise made me nervous; I was dejected all the time and could not scarcely do any household work. I tried medicines, but they did not help me in the least, Doctors did not seem able to help me or tell me what ailed me, although their bills increased with alarming rapidity. I grew so weak, and so despondent that finally I decided to take a trip to Colorado to see if a change of climate would benefit me. While contemplating this trip I read in a paper one day the testimonial of a person whose symptoms were almost identical with my own, who was cured by Dr. Williams Pink Pills. I decided to give them a trial and purchased a box. When that box was done I got another, and found gradually that the pills were helping me. The trip to Colorado was abandoned, and I continued using the pills until I had taken eight or nine boxes when I felt like an altogether different person. From a pale, thin, lifeless person, I became the picture of | Sunday morning health, and felt it too. It is several years since I used the pills, and I have not had any return of the trouble. I am positive Dr. Williams Pink Pills saved me from an early grave, and I cannot recommend them too highly to those who are afflicted as I was,

It is the mission of Dr. Williams Pink Pills to make rich, red blood, nourish the nerves, tissues and various organs of the body, and thus by reaching the root of the trouble, drive disease from the system. Other medicines act only on the symptoms of the have colds. Catarrhozone is a scientidisease, and when such medicines are fic that absolutely cures, Colds, discontinued, the trouble returnsoften in an aggravated form. If you want health and strength, be sure the fall name, "Dr. Williams' Pink Pills for Pale People," is on the wrapper around each box. If your dealer cannot supply you the pills will be sent Druggists or N. C. Polson & Co., postpaid at 50 cents a box, or s x boxes for \$2.50 by addressing the Dr. Williams' Medicine Co. PHYSICIAN AND SOLDIER.

A Sergeant of Royal Engineers, who has lately returned from Africa, telis a good story in a London daily of Lord Kitchener's stern sense of justice. In private who always did his duty in a quiet, unobstrusive manner, which gained for him a certain respect from his immediate superiors and companious. One morning this man presented himself at the office and reported that he was ill and unfit for duty. He was ordered to appear before Doctor X., the medical officer of the corps, who pronounced him in good health and ordered him back to duty. Against this order there was no ap-

CUMMINGS .-- At Cummings Cove, Deer Island, N. H., on the 5th of July, after a lingering illness, Huldah Adaline Cum mings, beloved wife of Mr. William Cummings, in the sixty-fifth year of her age At the age of 14 sister Cummings professed faith in the Lord Jesus Christ, was baptized by Rev. William Rideout, and assisted with the Chocolate Cove Free Bap tist church (then the Christian Church,) in which she was a devoted and faithful memer until the message came, "Come up igher.' Her home was the resting-place of all ministers, and many of our younger preachers will never forget the many acts of christian kindness and thoughtfulness of "Aunt Huldah." Her testimony for Jesus Christ was always given wherever there was an opportunity, encouraging her comrades to be faithful in the Master's service and .oveingly inviting the unsaved to turn to the Saviour. "She, etspeaketh." Her life was patient and persevering, humble and helpful, and her faith was that I have made a mistake. This man and faithful servant, enter thou into the joys of thy Lord."
