ACHER'S WORRIES

Frequently result in a breakdown of health.

HEADACHES, BACKACHE, DIZZINESS, POOR APPETITE AND INSOMNIA THE OUTCOME-HOW TO AVERT THESE TROUBLES.

From the Review, Windsor, Ont.

Only those engaged in the teaching profession real'ze how much care, worry and perplexity is met with daity. It is therefore little wonder that there are so many health breakdowns, especially among young ladies who follow this calling. Miss Christine Pare, of Ojibway, Ont, is one who has suffered much in this respect. To a reporter of the Windsor Review, Miss Pare said: "For several years, while teaching school, I was continually troubled with headsches, dizziness and a weak back. I tried several doctors and medicines, but got no relief. I became so badly run down that I thought pessibly a change of employment would give me relief. I gave up my school and tried other duties, but the result was disappointing as the trouble seemed to have taken a firm hold upon me. The headaches grew more and more severe, my appetite fail. ed me and I was frequently compelled to take a rest in order to overcome dizziness. A friend advised me to try Dr. Williams' Pink Pills. I decided to try a box, and before they were all used I found much relief. I continued taking the pills for some time longer, every day gaining new health and strength, and now I feel as well as ever I did in my life, and am never bothe el with the old troubles. You may say therefore that there is nothing I can recommend so highly as Dr. Williams' Pink P.l's.

Young girls who are pale and weak, who suffer from backaches, headaches, loss of appetite, ralpitation of the and the non-admission of children to beart, and other symptoms that over | the schools until vaccinated has been come so many in early womanhood, will find a certain and speedy cure in Dr. Williams' Pink Pills. These pills make rich, red blood, strengthen the nerves, and give new life and vigor to the whole body. The genuine bear the full name, Dr. Williams' Pink Pills for Pale People on the wrapper around every box. Sold by all dealers or by mail post paid at 50 certs a box or six boxes for \$2 50 by addressing the Dr. Williams' Medicine Co., Brockv.lle, Ont.

The Russian scholar Kulesch, who died some years ago. left a translation on which he had spent years of labor. It was revised by the learned J. Sister Peterson was a daughter of Mr. Robert Fisher, of Nova Scotia. Her early christian training was in the Presbyterian church, but since her moving to Royalton some 40 years ago, her church connection has been with the Free Baptist church. Her chris ian deportment, both in the community and in he church, has been very ax mplary, and her death has been keenly feit by all the community. Her sickness, lasting over a year, was of a very painful bind, she suffered much at times. It was the writer's privilege to visit her a number of t mes during the last two months of her illness, and she appreciated very much his calls. She loved to hear the Word read, the songs of Zion sung, and in prayer she whispered her quiet approval. She was well saved, and confidently expressed to us her readiness to depart, as she said she was only waiting to be taken home. Her funeral took place on Sunday morning, the 6th inst. at the Free Baptist church at Tracey The notorious brigand Mussolino | Mills, a large and sympathetic congregation attending the service. An appropriate sermon was preached by the writer from Isa. 25:8. Our sister has left a sorrowing husband, three sons and one daughter to mourn their loss.
