MISSION NEWS AND NOTES.

Twenty-two male missionaries
and two hundred and seventy-one
native teachers labor amongst the
eighty thousand inhabitants of the
New Hebrides islands.

Not a single medical missionary,
not a single mission hospital was
known, a hundred years ago; such
things were hardly known fifty years
ago.

Mr. John R. Mott, M. A., is now
on a tour of mission stations. He
will spend one month in Japan, and
another in China.

Mr. Henry Richards, a mission-
ary in Africa, in an account of a mar-
velous work that has been called
"A Pentecost on the Congo," gives
this testimony as to the value of
native preachers.

A writer in a Methodist magazine,
discussing the question, "Do Missions
pay?" makes the following statement:

HOME RELIGIOUS NEWS.

The Chipman, Q. Co. Baptist
Church, of which Rev. W. McIntyre is
pastor, has been having an extensive
baptismal. Twenty-one were baptized
the Free Baptist.

A missionary conference of the
Quebec Church is being held this
week in St. John. Bishop Courtenay,
Nova Scotia, is expected to be present.

The trouble with a great many peo-
ple is, that they want to have their
religion on the life insurance plan. By
paying a small premium every now
and then in the way of church attend-
ance, they hope to secure at death a
large amount of religion, but do not
want it delivered before then.

Norton-Midland.—In taking up
my work on this pastorate for another
year I have every assurance of sym-
pathy and co-operation on the part of
the people to whom it is my privilege
and pleasure to minister in the things
of the kingdom.

The spiritual interests of the
churches are not what we should de-
sire, not being quite abreast of the
temporal, but we are praying the Lord
of the harvest to give "showers of
blessing, precious reviving again."

PALE YOUNG GIRLS

How They May Gain Bright Eyes and Rosy Cheeks

THE STORY OF A YOUNG GIRL WHO SUFFERED FROM HEADACHES, DIZZINESS AND FAINTING SPELLS—HER HEALTH BECAME SO BAD THAT SHE WAS FORCED TO GIVE UP SCHOOL.

Miss Catherine McLellan is a young
lady well known at Charlottetown, P.
E. I., and greatly esteemed among her
young acquaintances. Like so many
other young ladies throughout the
land, Miss McLellan fell a victim to
anaemia, or poorness of blood, and al-
though several medicines were tried,
she found nothing to help her until
she began using Dr. Williams' Pink
Pills for Pale People. Miss McLellan
tells the story of her illness, as follows:

"I am now eighteen years of age,
and for a considerable time suffered
much from anaemia. My blood had
almost turned to water, and I was very
weak and pale; in fact could not un-
dergo the least exertion. My appetite
failed me; I suffered from headaches
if I stepped I would become dizzy, and
frequently I suffered from fainting
spells. I tried several kinds of medi-
cine and doctors prescribed for me,
but instead of getting better I was
gradually growing weaker, and event-
ually had to discontinue going to
school. About this time I read the
testimonial of a girl whose condition
was similar to mine, who had been
cured by Dr. Williams' Pink Pills. I
then decided to try these pills, and
have every reason to be gratified that
I did, as they completely restored my
health. Every one of the symptoms
that had made my life so miserable
have disappeared, and I am enjoying
good health as any girl of my age
could wish, and I shall always have a
good word to say for Dr. Williams'
Pink Pills."

Miss McLellan further stated that
while she was not desirous of publicity
in matters of this kind, she neverthe-
less felt that her experience, if known
less felt that her experience, if known
less felt that her experience, if known
less felt that her experience, if known

Dr. Williams' Pink Pills make rich,
red blood, and give tone to the nerves.
It is because of this that they bring
bright eyes, rosy cheeks and light
footsteps to girls who have been weary
pale and listless and has begun to feel
that life was a burden. Pale and
anaemic girls everywhere should give
these pills a fair trial as they are
certain to restore health and strength.
See that the full name "Dr. Williams'
Pink Pills for Pale People," is on the
wrapper around every box. Sold by
all dealers or sent postpaid at 50c. a
box, or six boxes for \$2.50 by address-
ing the Dr. Williams' Medicine Co.,
Brockville, Ont.
