WILLIAMS .- The quiet little village of Apohaqui, Kings Co. N. B. was shocked by the sad news that Deacon Robert Williams had been suddenly smitten, while in apparent good health, by a stroke of paralysis, on the evening of Friday Nov 15th. He suffered intensely until the morning of the 16th when death c me to his relief and he entered into the rest. His was a devoted and earnest Christian life. In his death the community has sustained a severe loss. He was a good citizen kind and courteous, ever ready to lend a helping hand to whatever was intended to better the community. As a husband and father he was' worthy of imitation. His ready hospitality to the ministers of God, led them to look upon him as a brother indeed and his house as a

CIRCULATION DOUBLED EVERY YEAR

REASON WHY:

It is of "immense assistance" (Senator Frye), and "no similar publication could take its place" (Senator Faulkner) It is "always read with great avidity" (Donald G. Mitchell), since it is "the most valuable pericd cal of its kind" (President Faunce), it is "the test periodical of its class" (Joseth Cook). "invaluable" (ex-Governor Altgeld), a' d 'an absolute necessity" (Rev. Dr. E. P. Powell); hence "'a time saver, a meney-saver, and (a) worry-saver" (Edwin Markham).

Orders up to that date will be filled at the present price, \$25.00 per 100 shares (full paid and non-assessable), and will receive quarterly dividend for which books close on 5th October.

Owing to the favorable developments on the Company's great oil lands at "Sespe Canon" the directors decided to advance the price to 30 cents, reserving the option to withdraw or again advance the price without notice. Send applications or remittances to
