LEARN THIS LESSON WELL AND THE RAVAGES OF DISEASE WILL NO LONGER BE SO PREVALENT - THE STORY OF ONE WHO HAS BEEN BENEFITTED AND WHO OFFERS HER EXPERIENCE TO AID OTHERS.

Among the multitude of ailments that afflict humanity there are few that cause more acute misery than indigestion or dyspepsia, as it is variously called. Both young and old are susceptible to its attacks, and its victims through the country are numbered by tens of thousands. Among company dyspepsia and make it easily recognizable, are weight, uneasiness and a heavy feeling in the stomach after eating, a feeling of weariness, sick headache and dizziness, pains in the stomach, offensive breath, irritability, etc. Ordinary medicines will not cure dyspepsia. They may relieve its symptoms temporarily, but the trouble always returns and each time Pink Pills is the only medicine which will thoroughly and effectively cure dyspepsia. These pills act not merely upon the symptoms, but on the disease itself through the blood, hence through the stomach, which is strengthened

and restored to its normal functions. Mrs. Alp. Lussier, a lady well know in Sorel, Que., is one of the vouchers and accounts of the Treasurer clutches of dyspepsia through the use of Dr. Williame' Pink Pills, and in the hope that her experience will be of benefit to some other sufferer she gives the following story for publication: "For over two years I was a sufferer from dyspepsia or bad digestion. The disease became chronic and I was an almost continual sufferer from headaches, heartburn, and heart palpitation All sense of taste lett me and at times my stomach was so weak that I was unable to keep any Porliament and Legislatures. day while reading I came across a case similar to my own, cured through the DENOMINATIONAL NOTICES use of Dr. Williams' Pink Pills, so in the hope that I would receive similar benefit I decided to give the pills a trial. I had not taken the pills long b fore I could see that my hopes for all symptoms of the trouble had disappeared and I was able to enjoylife as I did before being seized with the malady. I have no hesitation in saying that I think Dr. Williams' Pink Pills are the 5280 14 best known cure for dyspepsia, and I would strongly advise all sufferers to

give them a trial. The old adage "experience is the the church at Brooklyn, November best teacher" might well be applied in 1st at 7.30 in the evening and continue cases of dyspepsia, and if sufferers until Sabbath evening. would only be guided by the experience of those who have suffered but a e now well and happy through the Yarmouth, Oct 7th 1901. use of Dr. Williams Pink Pills, there would be less distress throughout the land.
