#### News of the Week.

NEW BRUNSWICK

The Parks Cotton mill one of the principal industries of the city of St. John closed down last week. This suspension of business leave several hundred employes out of work. The action of the company in closing down is due, it is said, to a want of working capital to carry on operations. Negotlations are now in progress which may result in the resumption of busi-

A St. John Municipal Council committee has discussed with Attorney General Pagsley the establishment of a short term prison and the employment of prisoners at hard Lebor. The Attorney General gave it as his opinion that the Provincial Legislature would pass the necessary legislation to make the prisoners work, but he doubted if other municipalities would consent to the erection of a prison, so St. John would have to furnish its own prison.

M. A. Oulton, who holds a superior school license, that he did as one of the examiners at the Fredericton, high school entrance examination, make known the questions to his own pupils previous to the examination. Mr. Oul'on was notified a few days Stephen, left \$22,000 of life insurago that the commission had reported | ance. and completely exonerated him from all suspicion of guilt in the matter. Mr. H. F. McLeod defended Mr. Oulton before the commission.

The St. George granite works will reopen in a few days, owing to the pressure of orders.

The residence of J. C. Martin, Pollet R ver, Westmorland county, was entirely consumed by fire a few nights ago. Only a part of the furniture was saved. No insurance.

The liabilities of the sixteen stock exchange firms which recently failed less than a year and was with her sister, in London aggregate £2 000,000 in one case the figures reaching £900,-

The French Parliament is in session. The government is to introduce a bill dealing with the property of the religious orders Statistics from the estate he'd by the religious associations | the heartiest sympathy of all estimate the selling value at eleven hundred million frances, equivalent to one thousand dollars per individual member. The Jesuits have ten m l lion dollars divided among fifteen colleges and houses held as private property by individual French cit zens.

Dozens of trains are snowed up on the southerh Russian railways, and some are completely buried. Ten thousand laborers have been despatched to clear the tracks. Several Russian steamers are missing. Se bastopol is full of vessels which have taken shelter in the harbor from the

#### -THE SLAVE TRADE.

The slave trade of to-day h s its centre in Arabia, and the Mohammedans are the slave traders. No words can paint the horrors of this iniquitous traffic in human flesh and blood. The Koran not only permits it, but sanctions it, and the example of the prophet gives it additional countenance. The only effectual remedy for this nefarlous trade in human beings is the uprooting of the Moslem religion. When the Bible takes the place of the Koran, then the slave trade will cease, market in Morocco: The unfortunate slave is brought

from his heartless relatives, or sold by those who have taken him captive in from peaceful settlements. The auction about five o'clock in the afternoon. The auctioneers are brutal, heartless slave brought out was an old woman. The auctioneer took her by the hand and led her around among the buyers. Bidding was slow because she was advanced in years, and the highest price offered for this woman, in whom dwells an immortal soul, was \$9.50. The next person offered for sale was an attractive young negro woman of about twenty years of age. She acted from her, threw it on the ground, and said, "Follow me, you dog." The details of the sale are too disgusting and abhorrent for mention here.

"If thou forbear to deliver them that are drawn unto death, and those Three foremen and twenty three sayest, Bahold, we knew it not, doth workmen were precipitated in the not be that pondereth the heart conHOW TO CURE A CORN.

It is one of the easiest things in the world to cure a corn Do not use acids or other caustic preparations and probably the largest boy of his age and don't cur a hole in your boot. It is simply to Apply Putnam's Painless Corn and Wart Extractor and in three days the corn can be removed withonly Putnam's Corn Extractor.
