ROYAL Baking Powder is indispensable to the preparation of the finest cake, hot-breads, rolls and muffins.

Housekeepers are sometimes importuned to buy other powders because they are "cheap." Housekeepers should stop and think. If such powders are lower priced, are they not inferior? Is it economy to spoil your digestion to save a few pennies?

The "Royal Baker and Pastry Cook" - containing over 800 most practical and valuable cooking receipts-free to every patron. Send postal card with your 'full address.

Alum is used in some baking pow-ders and in most of the so-called phosphate powders, because it is cheap, and makes a cheaper powder. But alum is a corrosive poison which, taken in food, acts injuriously upon the stomach, liver and kidneys.

THE 'ETERNITY' HUSBAND. - A curous case arising out of a Mormon marriage is before the United States courts. Many years ago a Mormon maiden was supposed to be dying. Without a husband, her religion told her, she could never share in the resurrection, so she persuaded a certain Professor Park to become her husband 'for eternity only.' Such deathbed marriages, to fulfil the letter of the Mormon law, are not infrequent. The girl, however recovered and married another husband, for life. The 'eternity husband,' who was practically a stranger to her, died the other day, and the 'eternity wife' immediately brought suit to obtain a portion of his
