

N. B. LEGISLATURE.

MONDAY.—In reply to Mr. Hazen, Mr. Tweedie said it was not the intention of the government to appoint a solicitor general at the present session of the legislature, or in the near future.

In reply to Mr. Humphrey, Mr. Tweedie stated that the total amount of bonds issued for permanent bridges to date was \$624,280. In addition, there were bonds issued to the amount of \$105,000.

In reply to Mr. Hazen's inquiry as to the amount paid by the province to W. A. Hickman during the past and the current year, Mr. Dunn said that the amount paid Mr. Hickman to the first of March, 1901, was \$7,696.64.

Mr. Tweedie introduced a bill to amend the school act 1900. The bill authorizes a poll tax of 75 cents up to the 30th of June, and changes the term of the school trustees so they will end at the same date.

In reply to Mr. Hazen's inquiry as to the items making up the expenditure on accounts of the bridge investigation, Mr. Tweedie presented a statement, the total being \$5,220.82.

Mr. Hazen called the attention of the commissioner of public works to the state of the Oromocto bridge which had become broken and unfit for traffic.

Mr. Labillois replied that he had sent Mr. Haines to examine it and report.

The bill to provide for the development of the coal areas in the counties of Queens and Sunbury was further considered. The first section of the bill was amended by striking out the word Penniac, making Gibson the terminus of the railway, and fixing the limit of the government guarantee at \$250,000.

The bill was agreed to, with the understanding that it may be recommitted in case certain parties who are opposed to some of its features wish to be heard.

TUESDAY.—The house sat one hour to-day.

Mr. Fleming gave notice of an inquiry with reference to the Eel River bridge, which was destroyed by fire a few years ago.

Mr. Fleming gave notice of inquiry in regard to the Hartland bridge and the Upper Carlisle bridge.

In reply to Mr. Hazen, Mr. Labillois said: The amount paid for travelling expenses of the chief commissioner of public works during the last fiscal year was \$952.35.

WEDNESDAY.—The House met at 3 p. m.

Mr. Hill stated that the premier and attorney general had been detained by a railway accident and could not arrive until the evening. The house separated until 8 o'clock.

The speaker took the chair until 9.30 o'clock, and adjourned without doing any business.

THURSDAY.—Mr. Hazen moved the resolution of which he gave notice last week, that it is the duty of the Attorney General to proceed against those concerned in the Rothesay voters' list frauds. The matter was discussed at considerable length, and an amendment passed expressing confidence in the Attorney General's way of dealing with the case.

FRIDAY.—Mr. Tweedie, in reply to Mr. Fleming, said: The approval of the lieutenant governor in council was obtained for the site of the Hartland bridge. The by laws for the government and management of the affairs of the Hartland Bridge company were submitted to the governor in council. The company has issued \$35,000 bonds upon the security of the bridge. No order in council has yet been passed fixing the tolls.

Mr. Hazen brought up his motion for the papers in regard to proceedings in Albert before Justice Blight. He asked for all correspondence between Blight and the government with reference to the trial of G. R. Sangster and others. Everyone, he said, is interested in honest election lists. The main point of his contention was that the prosecution against Sangster and others for perjury should have been allowed to go on, and not been stopped by the attorney general.

Mr. Ryan said tampering with election lists seems to have been the practice with both political parties in Albert county for a great number of years.

The Attorney General promised to lay the correspondence &c. before the House.

SATURDAY.—There was a short session to-day. A Bill to amend the Succession Duty Act was introduced by Mr. Pugsley. It proposes to make estates exceeding \$30,000 in value, instead of \$50,000 as now, pay duty. Change in the percentage to be paid and the fees of the Attorney General, are proposed. Mr. Hazen pointed out that the changes would add much to the Attorney General's income, and thought it a mistake that the Government should be imposing new taxes.

HERO WORSHIP.—Speaking of Principal Hadley's prediction about an Emperor at Washington, the Montreal Star, humorously says:

After all the Americans are a nation of hero-worshippers, although their gods do not last long. The men who magnified Dewey into a greater being than Nelson; the maidens who kissed a naval lieutenant nearly to death for sinking a ship, would rush to crown with myrtle wreaths and roses the hero who would undertake to strangle the Standard Oil octopus and to banish any other "varmint" of the same order. But like Napoleon, the Liberator would have to keep on the go, if he did not want to fall into the same limbo of popular forgetfulness as Dewey and Hobson. He would have to dazzle the people and keep on dazzling. How would this do for a title? "Marcus Hannatonius Emperor of America, Lord Protector of the Philippines, Sultan of the Sandwich Islands and High Cockalorum of Cuba.

STARTED.—The Duke and Duchess of York started Saturday on their journey to Australia, thence to other parts of the Empire, including Canada.

Green Ceylon Teas are a novelty in the Maritime Provinces. They are being manufactured to compete with Japans and are said to be much superior. T. H. Estabrooks, the proprietor of the well known Red Rose brand of Teas, has a large shipment of these green Ceylons about due at St. John.

A SENSIBLE MAN.—A mechanic about thirty years of age, and having a wife and four children, was wont to step into a beer saloon close by twice a day and pay five cents each for two glasses of beer. For many months he did this, under the impression that it was rather necessary for a hard working man. But one day, while toiling at his bench a new and better idea took possession of his mind.

"I am poor," he said within himself; "my family needs every cent I earn; it is growing more expensive every year; soon I shall want to educate my children. Ten cents a day for beer! Let me see—that is sixty cents a week, even if I drink no beer on Sunday. Sixty cents a week! That is thirty-one dollars and twenty cents a year! And it does me no good; it may do me harm. Let me see," and here he took a piece of chalk and solved the problem on a board. "I can buy two barrels of flour, one hundred pounds of sugar, five pounds of tea, and six bushels of potatoes for that sum." Pausing a moment, as if to allow the grand idea to take full possession of him, he then exclaimed, "I will never waste another cent on beer!" And he never has.

Some advertisements are misleading. Did you ever read one of that kind concerning Red Rose Tea? The foundation on which the reputation of Red Rose Tea has been built is quality.

"It is only a few weeks since I decided to pay a tenth of my income to the work of the Lord, and I always feel an increase of pleasure in giving."

THIS WEEK.

A considerable number of subscriptions expire in March. From all these we hope to have prompt renewals. If yours is one of them, will you kindly attend to the renewal at once? By doing so you will greatly oblige us.

We must, also, again ask the attention of those whose subscriptions are overdue to the importance of forwarding them without further delay.

A number of our friends whose payments are past due have not yet been heard from. We feel sure it has been unintentionally neglect in most cases—perhaps in all. Be good enough to remedy the mistake by attending to the remittance this week. We desire very much to hear from them—and need to.

If all who have not already done so, will be good enough, as soon as they read this, to turn aside a few minutes from the other things which engage their attention, and send their payments, they will be doing both themselves and us a good turn.

A FATHER'S STORY

He Tells How His Son Regained Health and Strength.

HAD HIS SPINE INJURED, AND FOR TWO YEARS WAS UNABLE TO DO ANY WORK, AND FOR MOST OF THE TIME WAS CONFINED TO THE HOUSE.

Mr. M. D'Entremont, a well known farmer living at West Pubnico, N. S., writes:—"I believe it is only right that I should let you know the benefit your medicine—Dr. Williams' Pink Pills—have been to my son, Constant, sixteen years of age. For several years he was almost a constant invalid, the result of an injury to his spine while working with his brothers on the farm. He grew weak and listless, had no appetite, and for two years was unable to work and was for most of the time confined to the house, and for a part of the time to his bed. He suffered considerable pain from pains in the back; his legs were weak, and he had frequent headaches. At different times he was attended by two doctors, but got no benefit from the treatment. Then I procured an electric belt for him, but it was simply money wasted as it did not do him a particle of good. One day while my son was reading a newspaper he came across an article telling of a cure in a somewhat similar case through the use of Dr. Williams' Pink Pills, and he then decided to give them a trial. After the second box was taken there was a marked improvement in his condition. He continued the use of the pills until he had taken eight boxes, and they have restored him to health. His appetite has returned; the pain has left his back, he has gained flesh, is able to ride a bicycle, enjoys life and is able to do a day's work as well as any one of his age. This letter is given gladly so that others may learn the merits of Dr. Williams' Pink Pills, and find a cure if ailing."

Dr. Williams' Pink Pills cure such cases as the one noted above because they create new, rich, red blood, thus strengthening weak and shattered nerves. They do not purge and weaken like other medicines, but strengthen from the first dose to the last. Sold by all dealers in medicine or sent post paid at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

KEEGAN.—At Newburgh, Car. Co., N. B. Feb. 26th Ernest Keegan, aged 18 years. This young brother was injured in the woods about Christmas time, from which his death resulted. Some weeks before the accident he professed faith in Christ, and died trusting in his Redeemer.

On the 7th inst., Willie Keegan, the above young man's mother, died from consumption, aged 35 years. Their funerals were just a week apart. Our sister was a valued member of the Free Baptist church at Newburgh, and we feel we are all bereaved in her death. Bro. Keegan, with his five remaining children, have the heartfelt sympathy of his brethren and the community, and we all pray Our Heavenly Father may tenderly lead them. J. B. D.
