Colds

"I had a terrible cold and could hardly breathe. I then tried Ayer's Cherry Pectoral and it gave me immediate relief." W. C. Layton, Sidell, Ill.

How will your cough be tonight? Worse, probably. For it's first a cold, then a cough, then bronchitis or pneumonia, and at last consumption. Coughs always tend downward. Stop this downward tendency by taking Ayer's Cherry Pectoral.

Three eizes: 25c., enough for an ordinary cold; 56c., just right for bronchitis, hoarseness, hard colds, etc.; \$1, most economical for chronic cases and to keep on hand.

The persecution not only sent them over the country, but opened the way in each town or village for speaking about Jesus and his gospel. Their persecution would excite the sympathy of many.

First. Persecution, opposition, difficulties, ridicule, are a sifting process. They keep away most hypocrites.

Second. Such things reveal us to ourselves. Serving God when it costs to serve bim prove to ourselves tlat we love him.

Third. Persecution is often one of the means God uses for the spread of the gospel. That is not saying that persecution is ever right. It is always wrong.

Fourth. It enlarges the church in its quality, character, and power. New work and new circumstances would develop new graces and new powers, and complete their Christian character.

Fifth. Many were set to work who would otherwise have remained comparatively useless.

Ripans Tabulus Doctors find 1 A good prescription

Ripans Tabules are a common sense, effectual cure for dyspepsia, biliousness, heartburn, headache, constipation, dizziness and all disorders of the stomach liver and bowels. They are intended for the use of men, women and children everywhere, and have proved beneficial in the majority of cases. It is not claimed that they will perform miracles, but some of the cures which they have effected amount almost to that. Easy to take and prompt in action, they have no rival as the best remedy for the every-day ills of humanity.

A MEDICINE WHICH PROLONGS LIFE. I was breaked with indignation and constipation, and have noticed since I have been using them that I am getting rid of these terrible bilious spells which confined me to bed on account of the dissiness. Of late I have not had any, I had just got ever a bed spell of bilious fover and was slixing on the step, when a neighbor came to me and sumarked how bad I looked. I teld him I had just got ever the fever and that I was afraid to est anything on account of indignation from which I had suffered since I was quite young. He advised me to take Ripans Tabules, I said I would say them, and from then I haven't been without them. I can eat anything providing I duish with a Tabule instead of desect. About three months ago I was suffering and fall as my body was tied up inwardly. My brother recommended Ripans Tabeles to me.
