

DENOMINATIONAL NEWS

NARROWS, Q. Co.—Rev. H. A. Annell has been holding special meetings at the Narrows. The church has been much revived, and there is much interest amongst the unconverted. One has been baptized.

ACKNOWLEDGEMENT.—We have the great pleasure of announcing through the INTELLIGENCER that a very pleasant evening was spent at the parsonage on the 11th inst. A large company of the people of the Free Baptist church and congregation began at an early hour in the evening to lay siege to the parsonage, and, of course, a short time they had possession. It was somewhat a surprise to the minister and his family. The first thing attended to was the making of coffee, and setting the tables with every good thing imaginable. When there were speeches by Mr. N. Brown B. A. Mr. G. A. Grant, Mr. Chipman Grant Mr. Hedley Axon, Mr. Alfred Schriver, Mr. Burns Akerly and Miss Jennie Cronkree, and then came the presentation speech, pleasantly made by Mr. N. Brown, in which it was announced that upwards of \$43.00 in cash and goods had been donated, which in a handy way was presented to the pastor and his family, as a tangible expression of appreciation. The musical part of the programme was well rendered, Miss L. Grant, church organist, and Mrs. G. A. Grant, residing at the organ. Next in order was the lunch, which consisted of the tempting viands for the preparation of which the Southampton ladies are widely known. We wish to express our gratitude to all our many friends who so generously assisted in making the occasion a success.

TEMPLE, YORK Co.—I am conducting special meetings at Temple, with some prospect of revival among the people. We sincerely hope and pray that the readers of the INTELLIGENCER will seek earnestly God's blessing on this work. We are much in need here of the help coming through the prayer and sympathy of our friends.

KNOXFORD, C. Co.—We are enjoying good special meetings at Knoxford. Four were baptized last Sunday.

S.—The annual meeting of the Free Baptist Sabbath school was held on Sabbath afternoon last, when the following officers were appointed: Superintendent Deacon, Edwin Morine; Assistant Superintendent, E. E. Letson; Secretary, Miss Bessie McConnell; Organist, Miss Mabel Morine. The year's work has been good, and the officers and teachers rendered most efficient services.

S.

ACKNOWLEDGEMENT.—Permit me most heartily to thank friends of East Port Medway and Port Medway for kind and generous Christmas gifts and donation, and to Mr. E. E. Letson, at whose home the donation was made, and to Mrs. Letson, who did so much to make the evening so pleasant and enjoyable; also to Mr. and Mrs. Edwin Morine, Mr. and Mrs. J. E. Cushing, of Caledonia, Mr. C. H. Clements, Mr. C. A. Bowly and Mr. D. C. Mulhall for their appreciated interest and greatly esteemed kindness.

Most gratefully both myself and Mrs. Siddall desire to acknowledge the many tangible tokens of good-will and consideration for so many years.

T. H. SIDBALL.

BROWN'S FLAT, K. Co.—Rev. S. J. Perry has been holding special meetings at Brown's Flat, with good results. Baptism was administered last Sunday.

ACKNOWLEDGEMENT.—On the evening of January 18th, friends at Keswick, led by the young people, held a social. A very pleasant evening was enjoyed by all. At the close they presented their pastor with an address and \$36.25, which was gratefully received and acknowledged. I have received several tokens of regard from friends on the pastorate, for all of which I am very grateful. May the Lord bless and reward these kind people.

POLITICAL NEWS.—Parliament has been called to meet Feb. 13th.

Hon. Jas. Sutherland was sworn in Minister of Marine and Fisheries on Thursday.

The death last week, of Senator Prowse, of P. E. Island, makes another vacancy in the Senate.

The bye-elections last Wednesday resulted in the election of Hart, Bieth, Campbell, Caron, Brunet and Farquharson (Liberals), and Avery, Porter and Leonard (Conservatives).

Dr. Ruddick, St. Martins, was elected to the N. B. Legislature, Saturday, by acclamation. He fills the seat for St. John Co., made vacant by the death of Mr. John McLeod.

LITERARY NOTES.

The Missionary Review of the World is unique among the numerous periodicals of the day in that it is without denominational or sectional bias, and gives a broad survey of the whole world of Christian missionary work. It combines many different features, long and short articles, and brief paragraphs, discussions of problems and graphic picture of life in foreign lands, statistics and sketches, maps and photographs.

The January number of The Review is varied and interesting. Dr. Pierson looks at missionary history as a fulfilment of Christ's promise "Lo, I Am With You Always," and shows him to be the leader in the modern missionary campaign. There follows a round-table discussion of "The Missionary Outlook in Asia" with brief contributions on Turkey, Burma, India, China, Japan, Korea, etc. It is lucid and impressive presentation of facts. There are other no less important and tempting articles.

Published monthly by Funk & Wagnalls Company, 30 Lafayette Place New York. \$2.50 a year.

The Methodist Magazine and Review for January begins its fifty-fifth volume with a notable number. Among its articles are, "The City of the Sultan," "The Crusade Mother," and "The Italy of America"—all illustrated. Dr. Carman has a noteworthy paper on the "Moral Momentum of Methodism." There are other articles three short stories, current topics, etc., etc. November and December numbers still given free to new subscribers. Toronto: William Briggs, \$2.00 a year; \$1.00 for six months.

Professor Goldwin Smith discusses "The Public School Question" in the January Canada Magazine. The Hon. L. G. Power, Speaker of the Senate, discusses our Military System, and advocates the enrolment of all citizens in the volunteer force with a shorter, unpaid drill season. Arthur H. U. Colquhoun discusses the Reciprocity situation, and intimates that Canada has nothing to expect from the United States. W. G. Ross gives a History of Street Railways in Canada, and Jean Blewett contributes a story. The number is good.

The excellence and variety of the features presented by the February number of The Delineator are typical of the progressiveness of this favorite woman's magazine. The fashion matter is timely. Ira D. Sankey continues the story of his tour, and his description of the Holy Land is even more interesting than his story of the journey through Egypt. The children's page maintains their high standard. The other departments have their usual interest.

PEEVISH CHILDREN

MAKE THE MOTHER'S LIFE ONE OF CARE AND WORRY—HOW TO KEEP BABY HEALTHY AND HAPPY.

Indigestion is one of the most common diseases of infants, and it is also one of the most serious, for unless it is controlled, the constitution will be weakened, other diseases will find easy lodgement, and the child's whole future will be imperilled. At the

first sign of indigestion, or any trouble of the stomach or bowels, Baby's Own Tablets should be administered. They act with promptness and perfect safety in strengthening the stomach and remove the offending material. Mrs. W. C. Tefft, Markham says:—"Up to the time my baby was a month old, he was a perfectly healthy child. Then his stomach began to trouble him. He looked pinched and starved; his tongue was coated and his breath offensive. He vomited curdled milk, and was also constipated. After taking his food he would scream with pain, and although he seemed always hungry, his food did him no good. He was so restless and sleepless that I was almost worn out. Medicine seemed to do him no good until we gave him Baby's Own Tablets. I gave him the Tablets and they helped him almost immediately, and in a very short time he began to gain in weight, and is now rosy and healthy. Baby's Own Tablets cured my baby when nothing else helped him, and I would not be without them in the house."

This is the only medicine for little ones that gives an absolute guarantee of purity. Milton L. Hersey, M. A. Sec., (McGill) one of the best known analysts in America, says:—"I have made a careful chemical analysis of Baby's Own Tablets. My analysis has proved that the Tablets contain absolutely no opiate or narcotic; that they can be given with perfect safety to the youngest infant, and that they are a safe and effective medicine for the troubles they are indicated to relieve and cure."

Such an endorsement, from so high an authority, stamps Baby's Own Tablets as the safest, the surest and the most reliable medicine for the ills of children.

Baby's Own Tablets are good for children of all ages. They reduce fever, cure colic, prevent and cure indigestion and constipation, check diarrhoea, sweeten the stomach, allay the irritation accompanying the cutting of teeth, and promote sound, healthy sleep. Guaranteed to contain no opiate. Crushed to a powder or dissolved in water, they can be given with absolute safety to the youngest infant. Sold by all dealers at 25 cents a box, or sent post-paid on receipt of price, by addressing the Dr. Williams Medicine Co., Brockville, Ont.

L. A. F.

McFARLANE.—Brother James McFarlane, of North Head, Grand Manan, is dead. His end came about two o'clock Tuesday, 14th inst. His life, from the time of his conversion till his death, was a good sermon. The writer was to see him several times during his illness, and found him always trusting in the Saviour and waiting for the summons from the King to come and dwell with Him. The community and church at North Head lose a highly respected citizen and a faithful adherent and supporter of God's cause. He was baptized by the late Rev. A. Taylor, and some years ago was elected a deacon of North Head Free Baptist church. His last prayers were that God would bless his church, and his last counsel to the minister was, "Preach the word nothing
