

LIVER TROUBLES.

Life Full of Misery to Sufferer From This Trouble.

ITS SYMPTOMS MADE MANIFEST BY A COATED TONGUE, BAD BREATH, BAD TASTE IN THE MOUTH AND PAIN EXTENDING TO THE SHOULDERS.

(From the Brockville Recorder.)

Sufferers from liver troubles find life one of almost constant misery, growing worse and worse unless prompt steps and the proper remedy be taken to restore the organ to its natural condition. Mrs Joseph Le-Claire, of Brookville, was such a sufferer, but has been happily released from the trouble by the only medicine known to thoroughly restore this important organ to its normal condition, once disease has fastened upon it. To a reporter, Mrs. Leclaire willingly gave her story for publication. She said:—For a long time I suffered severely from complications of the liver and dyspepsia. I would awake in the morning with pains in my shoulders and in my stomach. My tongue was heavily coated, and I had a horrible taste in my mouth especially on arising in the morning. I was constipated, and at times my head would ache so badly that I could scarcely let it rest on my pillow. There was such a burning sensation in my stomach at times that it felt as though there was a coal of fire in it. The pain was especially severe after eating, and for months my life was one of misery. A friend advised me to take Dr. Williams' Pink Pills, and I did so. After using the first box, there was a material improvement, and in the course of a few weeks longer I felt that I was completely cured. My tongue was cleared, the bad taste left my mouth, the pains disappeared, and I am as well as ever I was. Before taking the pills I suffered from bronchitis at times, but it has never since troubled me. I can recommend Dr. Williams' Pink Pills to anyone who suffers as I did. Dr. Williams' Pink Pills restore health and strength by making new, rich, red blood, thus strengthening every organ in the body. They do not act merely upon the symptoms as ordinary medicines do, but go directly to the root of the trouble. In this way they cure such diseases as liver and kidney troubles, rheumatism, paralysis, St. Vitus' dance, heart troubles, sick headaches, anaemia, and the irregularities that make the lives of so many women one of constant misery. Do not be persuaded to take any substitute; see that the full name "Dr. Williams' Pink Pills for Pale People" is on the wrapper around every box. If in doubt, the pills will be sent post-paid at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co. Brockville, Ont.

News of the Week

NEW BRUNSWICK

The north shore smelt fishing has been almost a total failure this year. It seems almost certain that the most fortunate of them will only make enough to cover expenses this season. The smallpox outbreak in Carleton Court cost the County \$4,000. Lieut. C. L. Markham, St. John, is gazetted on the retired list, retaining rank. Mr. M. Macdonald has served notice of an action against the town of St. Stephen for \$9,000 damages for advertising for sale for taxes certain property which he claims was not legally assessed. Moncton has a case of smallpox. Harry Moore, a clerk in the I. C. R. mechanical office, is the victim. Two houses in one of which he lodged and in one boarded, have been quarantined. It is not known how he contracted the disease. It is stated that in a short time coal will be mined by machinery in the Queens county coal fields at the rate

of 1,000 tons per day. This was decided at the meeting of the New Brunswick Coal and Railway Company directors held last week, when arrangements were completed to purchase two Butler excavating machines with a capacity of 500 tons per day each. Friday, at Sand Point, St. John, Charles Howard, working on the Steamer Manchester, fell into the hold and was killed. In St. John one new case of smallpox has developed in the last week. At Lynnfield, 15 miles from St. Stephen, there is a case—a young man who returned from Boston two weeks ago. Mrs Wood, of Tweedside, died Thursday of diphtheria. Her husband, the late Peter C. Wood, died on Monday of the same disease. Their eldest child died on Wednesday. The remaining child, which is about three months old, is not expected to recover. This child and an invalid sister of the late Mr. Wood are the sole survivors. The ambulance presented to the Victoria Hospital, Fredericton, some time ago by Hon. A. F. Randolph, arrived on Thursday and is now ready for use. The case of Burns vs. Atherton, in which Dr. Atherton, of this city, was charged with malpractice, excited a good deal of interest. The trial lasted a week, and resulted in a verdict for Dr. Atherton on every point. In submitting the case to the jury Judge McLeod gave them sixteen questions to answer, every one of which they answered in the Dr's favour. Two eminent physicians from McGill gave evidence in Dr. Atherton's behalf. They said Dr. Atherton had a reputation throughout Canada as a most skillful surgeon.

A SCIENTIFIC VOICE IMPROVER.—Because of its strengthening influence upon the vocal chords, Catarrhzone cannot be too highly recommended as a wonderful voice improver. It almost constantly removes huskiness or hoarseness, thus insuring clearness and brilliancy of tone. Catarrhzone keeps the mucous surfaces in perfect condition, and its regular use absolutely prevents colds and throat irritation, thereby removing the singers greatest source of anxiety, unfitness of voice. The most eminent speakers and Prima Donas would not be without Catarrhzone and credit in no small degree their uniform strength and brilliancy of tone to its influence. The hard rubber inhaler fits conveniently into a purse or vest pocket, and may be used in the church, theatre, any place or time. Complete outfit \$1 Small sizes 25c. Druggists or P. Small & Co., Kingston, Ont.

NOVA SCOTIA

A few days ago, Lydia Seelye, a spinster, aged seventy-five years, living alone at Marshalltown, was found hanging head downwards in her own cellar way, her foot having caught in the top step. She had been there several days when found. At Halifax Tuesday Ivan McEwan, the seven-year-old son of James McEwan, fell through an open hatch, struck on his head and died soon after. John B. Calkin, ex-principal of the Provincial Normal School, and author and publisher of Calkin's geographies has been appointed a member of the National Geographical Society of the United States. The pulp mill establishment at Wentworth, has secured 8,000 acres of land in that section of Cumberland. Fred Day, an undergraduate of Dalhousie College, was found dead in his bed Wednesday. He played in two hockey matches at the evening before, and retired to bed feeling somewhat fatigued. His mother thinking he was tired did not go to call him until 12 o'clock, when she found him dead. Mr Fitzgerald, of Antigonish, N. S. who was reported drowned in the Sticken river, is alive and well. Stewiacke valley is excited over the prospects of coal fields being opened up there.

THE CRITICAL AGE

Height of vigor past-nature's power slowing down, vitality less, recuperative power less, endurance less. Stop the progress of decay, tone up the weakened nerve centres, impart vigor to the tired brain, prepare for the crisis. A means of remarkable potency in the renewal of decreasing vigor is found in Ferrozone. It brightens up the whole being, imparts a sense of power and strength. By the use of Ferrozone, old age is pushed back twenty years. Ferrozone, give strength, vigor, endurance, vim. Your druggist has it. Get a box today from Chas Burchill.

At Albert N. P. E. I. Friday, Arch. Grimes, a rum-seller, was shot and killed by Guss Gillon. Guss had

OTHER PROVINCES

The full court of British Columbia has confirmed judgment sentencing a Zionite elder to three months in jail for counselling his adherents not to call in a physician. Since the outbreak of small-pox in Ottawa 208 cases have been reported to the health officer. There are 72 cases now at the Isolation Hospital. The crown lands department timber inspectors estimate the output of pine logs in Ontario this winter will be sufficient to yield 800,000,000 feet of lumber, board measure. This will be the greatest cut in many years. Eighteen thousand veterans of South Africa and of the Fenian raid have sent in applications to the Ontario government to participate in the land grant of 160 acres. The government has set apart 2,750,000 acres in 119 townships from which the veterans may make their choice. Small-pox has broken out at Fernie B. C. and seven cases are reported. The provincial board of health has quarantined the town. Three miners suffered terribly and a fourth died from exposure in the mountains of the Slooan, B. C., district. They were on the road to their camp and missed their way. Their names are Wall, Stevens, Thomas and Rockaway, the last one of whom is dead.

WEAK BACK AND SPINAL PAIN: Pains in the back number their victims in thousands. Only very powerful and penetrating remedies will reach these distressing complaints, but Polson's Nerviline is as sure to cure them as anything in this world can be sure. Rub Nerviline over the sore parts night and morning and see how quickly it drives out the pain Five times stronger than other. Good for internal and external use. Large bottles 25c.

UNITED STATES

Fifteen hundred quarts of nitro glycerine stored in a magazine in a ravine near Marion, Ind., exploded Wednesday shaking the entire north-eastern part of the state. Business blocks and dwellings shook and swayed as if rocked by an earthquake, and the entire city was aroused. The explosion was caused by a gas jet in one of the magazines setting fire to the buildings. A deputation representing 34,000 signatories to an address protesting against the sale of the Danish West Indies without the question being previously referred to the plebiscite, was received in audience by King Christian Monday. Forest fires are burning near Buffalo park, Colorado Springs. Large quantities of timber will be destroyed unless snow shall fall soon. 17 lives were lost in the recent horrible railway wreck in the City of New York near the principal railway station. Such a tragedy ought surely to have been impossible. Vincent Vencelsick, a Pole living in Pittsburg, in a drunken frenzy, murdered his wife and badly wounded his three children. Sheriff Smith and his deputy, Geo. Beck, of Guthrie, O. T., were killed by highwaymen Wednesday. The murderers escaped. It is stated James Mather, has confessed to the murder of Peter Olson, near Muskegon, Mich., 20 years ago. The murder was the result of a quarrel. Mather is a patient at the state hospital. He declares he was driven mad by the memory of the crime. In Boston, Friday twenty-eight horses suffocated by smoke, a number of wagons and harnesses, milk cans and jars and a quantity of hay and grain were destroyed as the result of a fire in a stable, Dancau street, Roxbury. At Fall River Mass., Sunday, fire in the Globe Yarn Mills of the New England Cotton Yarn Co., damaged the plant about \$200,000. In Detroit, Mich. Sunday four buildings, each four stories high, collapsed without any apparent cause and all that now remains is a heap of ruins.

CORN LIGHTNING

That's Putnam's Corn Extractor. Gives corns tired feeling in about twenty-four hours. They consequently get out as they cannot keep up the pain any longer—making them weary—it's Putnam's Painless Corn Extractor that does this. Now don't forget. All druggists.

BRITISH AND FOREIGN

Sampson's lace factory the largest one at Nottingham, Eng., has been destroyed by fire. The police of Paris have imported five more Newfoundland dogs for the purpose of patrolling the banks of the river. The mission of the dogs is to save persons from drowning. Owing to the rush to be vaccinated caused by the scare from the recent outbreak of smallpox, London manufacturers of lymph for vaccination purposes are unable to supply the demand. Four distinct shocks of earthquake were felt at Mexico City on Thursday. Later word says that the city of Chilpancingo suffered severely from the earthquake shock and that six hundred persons were killed. The water in the Jupiter mine, near Breux, Austr a, which was suddenly flooded Jan. 14, when the escape of 43 men was cut off, does not subside and hope of saving the men has been abandoned. Cecil Rhodes has secured contracts amounting to several million pounds sterling for supplying South Africa especially the British troops in that part of the world, with fresh meat, which will be taken to South Africa in refrigerator vessels from the British colonies and elsewhere. Over one hundred persons were injured, many of them, severely, by a terrific wind storm which swept over Vienna on Thursday. Houses were unroofed, chimneys were blown down and the streets were so filled with debris as to seriously impede traffic. The total of 119 fatalities in the Swiss Alps during the year 1901, constitutes the record and is double the number of fatalities in 1900.

Nothing seems lacking in the New Year number of The Ladies' Home Journal to make it the most complete issue of that periodical yet published. It is singularly attractive. Cardinal Gibbons and Rudyard Kipling lead the list of contributors, the one with a strong arraignment of the "new woman"; the other with the true story of how he brought up a baby lion on a bottle! Mr. Bok has an editorial against the "eramping" system in the education of children. All of the regular editorial departments are unusually interesting, especially that of fashions, which is enlarged to eight pages. The illustrations are fine. By The Curtis Publishing Company, Philadelphia. One dollar a year; ten cents a copy.

Repairing Neatly Done Never thought of such a sign for a medicine did you? Well, it's a good sign for Scott's Emulsion. The body has to be repaired like other things and Scott's Emulsion is the medicine that does it. These poor bodies wear out from worry, from over-work, from disease. They get thin and weak. Some of the new ones are not well made—and all of the old ones are racked from long usage. Scott's Emulsion fixes all kinds. It does the work both inside and out. It makes soft bones hard, thin blood red, weak lungs strong, hollow places full. Only the best materials are used in the patching and the patches don't show through the new glow of health. No one has to wait his turn. You can do it yourself—you and the bottle. This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle. Send for free sample. SCOTT & BOWNE, TORONTO CANADA 50c. and \$1. all druggists.

FOR OVER SIXTY YEARS. AN OLD AND WELL-TRIED REMEDY—Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething, with perfect success. It soothes the child softens the gums allays off pain, cures wind colic, and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by Druggists in every part of the World. Twenty five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other.

"Reci, rocity with Canada" is advocated in the January Forum by Hon. John Charlton. He argues that the beneficial results which have followed from free trade between the States of the Union would also follow its application to the Dominion of Canada.

The Whole Story in a letter: Pain-Killer (FERRY DAVIS) From Capt. F. Love, Police Station 5, Montreal:—"We frequently use FERRY DAVIS' PAIN-KILLER for pains in the stomach, rheumatism, stiffness, frost bites, the blues, cramps, and all ailments which befall men in our position. I have no hesitation in saying that PAIN-KILLER is the best remedy to have near at hand." Used Internally and Externally. Two Sizes, 25c. and 50c. bottles.

A DAUGHTER'S DANGER A Chatham Mother Tells how her Daughter, who was Troubled with Weak Heart Action and run Down System was Restored to Health.

Every mother who has a daughter is ing and fading—pale, weak and list whose health is not what it ought should read the following statement by Mrs. J. S. Heath, 39 Richmond St. Chatham, Ont: "Some time ago I got a box of Mill Heart and Nerve Pills at the Central Store for my daughter, who is 18 years of age, and had been afflicted with weak action of the heart for a considerable length of time. "These pills have done her a world of good, restoring strong, healthy action to her heart, improving her general health and giving her physical strength beyond our expectations. "They are a splendid remedy, and one suffering from weakness, or nervous trouble I cordially recommend. "F. Milburn's Heart and Nerve Pills at a box of 3 for \$1.25, at all druggists.
