

News of the Week

New Brunswick.

The cessation of hostilities in South Africa will not interfere, it is announced, with the shipment from St. John of the horses already bought by the war department, but no further purchases will be made.

Two new cases of smallpox are reported at Woodstock, both on the south side of the bridge. One patient is Charlie Atherton, whose father is janitor of the Broadway school. The other is a Mrs. Stairs. Neither has been vaccinated. The board of health has resigned on the ground that it has not received that support from influential citizens necessary to make its work effectual.

Smallpox has broken out at Notre Dame, Kent county, three cases have been discovered in one house.

William Finmore, of this city, aged 70, died at St. Mary's Thursday.

Frank Taylor manager of the Albert Manufacturing Company, had his right hand blown off a few days ago while setting off a cannon.

At Chatham, Tuesday of last week, Harry Broecker, was fixing the hal-yards and painting the flagstaff in Elm Park. The pole fell to the ground, breaking into many pieces. Broecker was standing on the cross trees, about 50 feet from the ground, and fell under one of the pieces which it took four men to lift. His head was badly cut, his left arm broken, a rib broken and back hurt, besides he suffered internal injuries.

Recently the house and barn occupied by Robert Wortman, near Pollet Lake, K. Co., was destroyed by fire. The greater part of the furniture was saved.

The two young fellows, Kilson and Briggs under arrest in St. John for burglary, escaped from jail Friday. They had been in the corridor talking with their counsel. The interview over the lawyer went the length of the corridor and reported that he was done. When the turnkey got to where the boys had been they were gone. They had gone through two doors and away. Briggs was captured the same afternoon at Golden Grove.

A house at Manners Sutton, York Co., owned and occupied by Thomas Burrell, was struck by lightning Tuesday night. One of Mr. Burrell's children, aged nine years, was killed and other members of the family stunned. The house caught fire, but was saved.

The body found in Green River Mad. Co. two weeks ago has been identified as that of an Italian workman who was killed in a dynamite explosion on the Ashland & Fort Kent railway about a month ago.

An unoccupied house known as the Harding property at Lakeside, Kings Co., was burned Tuesday night. The fire was of incendiary origin. Insured for \$690.

The preliminary examination of Charles Sillick, Moncton, charged with manslaughter in connection with the death of his wife, was brought to a close Saturday. The case was dismissed on the ground that there was no evidence to show the accused refused to provide medical attendance.

At Dorchester Thursday Judge Forbes, under the Speedy Trials Act, heard the case of the King vs. John W. Colpitts, charged with living unlawfully with one Bessie Estabrooks. Colpitts was found guilty and sentenced to two years in the penitentiary and thirty lashes, ten to be administered at the beginning of the term, ten in a year and ten the night before the expiration of his sentence. The girl was allowed to go on her own recognizance.

THE CAUSE OF DEAFNESS.

Deafness and impaired hearing are due almost entirely to catarrhal inflammation of the eustachian tubes. Permanent cure is guaranteed to all who inhale CATARRHOZONE as directed. This vegetable antiseptic is inhaled at the mouth, and after traversing all the air passages of the respiratory organs is exhaled through the nostrils; it completely eradicates catarrh from any part of the system, clears the ears, nose and throat, and allays inflammation, congestion and soreness. For Deafness, Earache, Ringing in the Ears, Head Noises, Catarrh, Asthma and Bronchitis, medical science can devise nothing as beneficial as CATARRHOZONE. Complete outfit for two months use, price \$1.00; trial size 25c. Druggists, or N. C. Polson & Co., Kingston Ont.

HAMILTON'S PILLS ARE EFFECTIVE.

Nova Scotia.

Schooner Hilda C., of Lunenburg, put into Hubbard's Cove Wednesday with her flag half mast. She came to land the body of Walter Westhaven. Deceased and his nephew, Prescott, were in a dory on the banks when it capsized. Both clung to the bottom of the boat but when taken off Walter was found to be dead. He was about 28 years old.

Robert O'Rourke of Springhill, underground manager, while en route from New Glasgow to his home in Springhill Wednesday afternoon, in poor health, was transferred to the north train at Truro, but died before the train left the station.

Thursday night at Wolfville the building used as a reading room and as the office of the Acadia Athenaeum was burned. Insured, but the loss will be considerable.

A representative of the government fish hatchery at Bedford placed 65,000 young salmon in the Annapolis river last week.

The Annapolis valley is at present a scene of beauty with its wealth of apple blossoms. The indications are that there will be a large crop.

The American fishing schooner Edith Fisher, of Boothbay, Maize, was seized at St. Peters, Cape Breton, Wednesday, for alleged violation of the fishing laws.

A case of smallpox developed at Dartmouth Thursday. The patient is a young man named Ross Day.

A man named Porter was killed on Monday at Dominion No. 2 mine Glace Bay by the falling of a stone.

So far the catch of mackerel along the Cape Breton coast exceeds the catch for any year during the past 15 years. Although the season has practically only commenced, the catch thus far exceeds the total catch of the past three years.

At Halifax, Thursday, Roland Colshaw and Alfred Awa were sentenced to four years in the penitentiary for setting fire to Postmaster Churhill's property at French Village.

Mrs. W. F. Patton, wife of the station agent at River Phillip, was accidentally shot dead at Oxford Saturday night by a boy who was playing with a gun.

Last week a fierce northeast gale sweeping the coastline of Newfoundland and doing much destruction to fishing boats, fishing gear and other property.

Friday, near the Place Viger station, Montreal, an elderly man who was attacked by thugs and beaten into unconsciousness, was run over by a train later and had both his legs cut off.

A TRUE NERVE TONIC

Will act, not so much directly upon the nerves as upon the digestive functions and the abundant formation of red, vitalizing blood. Nerves can't be fed on medicine. They can however be restored and strengthened by assimilated food. Their marvelous action of FERROZONE arises from its action over the digestive and assimilative processes. When you take Ferroz the blood is purified, strengthened, and grows rich and red. Then you grow vigorous, healthy and beautiful, ready for work, because you have the strength to do it. No tonic for the brain, blood or nerves compares with Ferrozone. Price 50c., at Druggists, or Polson & Co., Kingston, Ont. Sold by Chas. A. Burchill.

HAMILTON'S PILLS ARE EFFECTIVE.

United States.

The great strike in the hard coal region continues. The strike has already cost over \$14,900,000.

Jim Black, a negro implicated in the murder of the wife of J. K. Jones, Charleston, S. C. was lynched Saturday night by a mob of men.

Fifteen thousand pullman conductors of the United States demand an increase in wages.

Seven prisoners escaped from Council Bluffs goal, Ia., Friday, after overpowering the goaler and locking him up.

The planing mill and woodworking shop of the Illinois car and equipment works at Hegewich, Ill., were destroyed by fire Wednesday. Two thousand men are thrown out of employment.

The manager of an elevator company estimates that the wheat acreage of North Dakota will decrease about 1,500,000 acres this year. The acreage taken from wheat will be put into flax, barley, corn, oats and other crops.

Fifty persons committed suicide in Chicago during the month of May.

Maine has twenty seven cases of smallpox at Hallowell, Portland and Bridgeton all of which are serious.

The loss of property by the overflow of the Neshoe and Cottonwood rivers will amount to several hundred thousand dollars in Missouri.

A great storm swept over South Dakota, Friday. Seven inches of water fell during an hour.

A strike that may extend from the Mississippi river to the Pacific ocean, is imminent unless concessions are made to the Great Northern Railroad boiler makers, who demand an increase from \$3 to \$4 a day.

Excusing himself for a moment from the dinner table, at which were seated his wife, his two sons and two guests who had been invited to spend Friday evening, Fred S. Leland, a prominent New York politician, went to his room and, with no apparent motive, shot himself in the head, dying almost instantly.

The body of Richard Ware, a five-year-old boy at Fairfield, Me., who disappeared from home last February, was found in the flame of the Fairfield Furniture Co.'s mill there a few days ago. The boy was last seen playing near the factory four months ago.

IS YOUR DAUGHTER IN SCHOOL?

There are thousands of sickly school girls dragging their way through school who might be enjoying the full vigor of their youth by taking Scott's Emulsion.

British and Foreign.

The Guesgan, a mud volcano, near the village of Kobi, Caucasus, has erupted, accompanied by cannon-like reports. The country around the volcano for some distance was enveloped in flames. A few shepherds were burned and some flocks of sheep destroyed.

At Nice, France, an unsuccessful attempt was made to shoot the Russian consul there.

A slight shock of earthquake has been felt in South Australia.

Mont Pelee, Martinique, is still in violent eruption. On Friday an enormous column of black smoke rose from the volcano, and then spread into a mushroom shaped cloud which appeared to have a diameter of forty miles. There were no detonations, no electrical display and no showers of ashes. Fort de France has been shrouded in intense gloom. The most notable phenomenon was that the sea rose nearly three feet, then returned to its normal level. No reports of damage have been received.

MARRIAGES

BLACK CHENEY.—At the home of the bride's father, June 4th, by the Rev. A. W. Currie, Leslie Black of Bloomfield, and Isadora Cheney, of Lindsay, C. Co.

DEATHS.

RODGERS.—At Lewis Mountain W. Co. April 29th of inflammation of the lungs, C. E. Rodgers, infant son of Amos Rodgers. Funeral services conducted at the house church and grave by the writer.

PHILLIPS.—At Moncton, May 18th Harry, infant son of Harry Phillips of Moncton. Funeral took place in the Baptist burying ground Pollett River Road Services by the writer.

GREENS.—At Shannon, Q. Co. May 15, of old age, William Green, aged 90 years. His father was a Loyalist, who settled in Shannon many years ago.

GRANT.—At his home in Wakefield, Car. Co. June 27th at the age of 27, of consumption. Ray Grant son of Richard Grant. He was converted in Feb 1900 and united with the Free Baptist church there. His health began rapidly to fail last winter, and he knew that his end was near. He gave up all and died rejoicing in his Saviour. He leaves a sorrowing widowed mother and one brother. His father a sister and brother went on before. He was buried at Royalton with appropriate services by the writer.

NEVERS.—Another shocking sudden death occurred early Wednesday morning when Miss Cora Nevers, of Grafton, passed away. Tuesday night at 10 o'clock she retired in her usual good health, occupying the bed with her mother. At midnight Mrs. Nevers was awakened by hearing the cry "Oh, mother!" from her daughter, but an examination showed she had expired instantly. The doctor pronounced the cause of death to be the forming of a clot of blood around the heart. Miss Nevers was the eldest child of Mr. and Mrs. George Nevers and was 26 years of age. She was an earnest worker in the Young People's Society of Christian Endeavor, in connection with the F. B. church in this town. Her parents, two sisters, Lillian and Winifred, and a brother Albert, survive. The funeral took place from her late residence, Thursday afternoon, and the interment was made in the cemetery in Grafton.—Rev. Mr. Currier conducted the service. Among the floral offerings was a wreath from the Christian Endeavorers.

Advertisement for SYMINGTON'S EDINBURGH COFFEE ESSENCE. It is a guaranteed pure coffee essence, making delicious coffee in a moment. No trouble, no waste. In small and large bottles, from all Grocers.

Advertisement for Oil for the Children. Give them oil—cod-liver oil. It's curious to see the result. Give it to the peevish, fretful child, and he laughs. Give it to the pale, anæmic child, and his face becomes rosy and full of health. Take a flat-chested child, or a child that has stopped growing, give him the oil, and he will grow big and strong like the rest.

Advertisement for PUE GOLD JELLY POWDER. It is pure gold extract, flavoured with pure gold extract. Always true to name. T YOUR GROCERS.

McCready.—At Shannon, Queens Co. May 27 of heart failure, John McCready, aged 80 years. Brother McCready was born in Ireland, and came to this country when a little boy with his parents, who settled in Shannon, where he always lived. He was converted under the labours of brethren Carpenter and Connor 38 years ago, and joined the Free Baptist church at Shannon. His life since then has been one of faithfulness to God and the church. He was a Free Baptist, faithful to his denomination. It can be said of him, that he was "diligent in business, fervent in spirit, serving the Lord." He leaves a wife and four children, two sons and two daughters—J. W. McCready, barrister of Fredericton, G. Miles McCready of Shannon, Mrs. Abner M. Sherwood, of Midland, K. Co., and Mrs. G. A. Green, of Shannon; Also six grand children, to mourn their loss. The funeral was attended by the writer.
