

DENOMINATIONAL NEWS

STAPLES SETTLEMENT, YORK CO.—Fifty persons were baptized at Staples Settlement last Sabbath and united with the church. I had thought to be able to close the work with this church Sunday the 9th inst. but the indications of the Sabbath evening services were such as to render it unwise to close them, so we have arranged to go for a few days longer. I came to my home to-day, the 10th, and cannot return until the 12th. There will be a S. S. Convention of the parish in the church there on the 11th, which I regret will not be able to attend. It is 27 miles from my home to Staples Settlement. There are some calls, including sick calls, near my home that I must make before going back. These are among the things a pastor cannot neglect. I am trying to do the best I can in the circumstances to strengthen the cause among the churches of this large field. If the people will be patient and I trust they will be and permit me to go on with the present plan of work, I will get through special meetings with five of the churches during the winter. Every pastor who has had a large field knows our anxiety involved in such winter campaigns of revival meetings to do the special work and regularly keep his Sabbath appointments with the churches is practically impossible. The pastor in such cases has to rely on the thoughtfulness and Christian consideration of his people.

BEAVER HARBOUR, N. B.—A letter from the Clerk of the Beaver Harbour church tells, a little more in detail, of the good work done there under the labours of Rev. E. S. Parker, who spent six weeks there. We make the following extracts:
“The sacrament of the Lord's Supper was administered at the close of the evening service on Sabbath evening, Feb. 23rd, when forty communicants partook of the emblems. This closed a series of meetings the influence of which may be said to have benefited the whole community.”... The evening before bro. Parker left the Harbour, about seventy-five of the friends gathered at the hotel of bro. Fred Paul and a very enjoyable time was spent. A bountiful supper was served by the ladies of the church. Deacon Fred Eldridge, on behalf of the church, presented bro. Parker with a purse of money in addition to his salary, and his wife with some useful presents, as a token of the high esteem in which the community held them both. After listening to some very encouraging remarks from bro. Parker and wife the people took their leave, feeling that they had spent an evening long to be remembered.

WOODSTOCK, N. B.—Our special meetings have been of very great interest and profit to us. The church has been strengthened and a good many backsliders have been reclaimed. Last Sunday evening I administered the ordinance of baptism to eight more candidates, to whom I shall give the hand of fellowship next Sunday night.

MINISTERS' ASSOCIATION.—A meeting of the ministers of the Third and Fourth Districts was held at the parsonage, Fredericton, on Monday last, 18th inst. There were present, — Revs. Dr. McLeod, John Henderson, T. O. DeWitt, F. C. Hartley, A. D. Paul, S. Hartley, and F. H. Knollin and the Rev. Mr. Cochran. The meeting had been called to consider the advisability of organizing a ministers' association. After the matter had been freely discussed it was, by vote, decided to form such an Association. Officers were elected: Chairman, Rev. Dr. McLeod; Secretary, Rev. F. Clarke Hartley. A very pleasant afternoon was spent in considering matters of interest to those present, including the recent religious census and the Sunday question. It is proposed to have the Association meet once a month, in different parts of the field. The afternoon session is to be spent in devotions, consideration of church reports, consultation, discussion of current topics and public questions. At the evening a public meeting to discuss denominational matters will be held. The next meeting will, on invitation

MONCTON, N. B.—Six converts were baptized at the close of the morning service, Sabbath 9th inst. In the evening ten were received into the church—six by baptism and four by letter. Thirteen have united with the church since I came here. The special meetings have been a blessing to the church. Others than those received have professed faith in Christ, and I hope they will be baptized soon. The church could not accommodate all who came to the service on the morning of the 9th, and in the evening the house was filled. The Lord is with us, and we are encouraged. We bless his name and labour on. The Sunday School, under the leadership of bro Jackson Steeves, is in a flourishing condition; the attendance is large. I am glad to hear of the success of my brethren.

THE BEST FOOD FOR CHILDREN?
Is worthy every parent's study; not only what they can eat, but what gives the most nourishment. No children are better, and most are worse, for eating hard-cooked food. If, however, their food is prepared with the healthful new vegetable, **COTTOLENE**, instead of lard, they can eat freely of the best food without danger to the digestive organs. You can easily verify this by a fair trial of Cottolene. Sold in 8 and 16 lb. tins by all grocers.
