The Japanese rip their garments apart for every washing, and they iron their clothes by spreading them on a flat board and leaning this up against the house to dry. The sun takes the wrinkles out of the clothes, and some of them have quite a lustre. The Japanese woman does her washing out of doors. Her wash-tub is not more than six inches high.

CRUEL BACKACHES.

PAINS THAT MAKE THE SUFFERER'S LIFE MISERABLE.

Dr. Williams' Pink Pills never Fail to Relieve, and Cure Ailments of this Kind.

Mrs. Walter Book, wife of the post-master at Silverdale, is well known to all the residents of that locality, and the family is well known throughout Lincoln county where they have resided, and been identified with its history for four generations. In speaking of Dr. Williams' Pink Pills, Mrs. Book says: "In giving my testimony, I do so frankly and without reserve, as I am convinced of the complete reliability of the pills. For a couple of years I had been troubled with a severe pain in my back, which sometimes extended to the stomach and gave me great distress. At times I was completely incapacitated with it. I felt much discouraged because I had been treated by a good doctor and had taken a number of advertised medicines without obtaining a cure. Finally I decided to try Dr. Williams' Pink Pills, and almost from the first I noticed an improvement, and by the time I had used five boxes the old complaint was a thing of the past and I was feeling better than I had for years. I keep the pills in the house, and whenever I feel the need of a medicine take a few, and always find them a splendid tonic and regulator of the system."

Dr. Williams' Pink Pills are the greatest blood builder and nerve tonic in the whole wide world. That is a fact beyond dispute—and it accounts for the fact that there is not a corner in the whole civilized world where some sufferer has not been cured by building up the blood by these pills. There is no medicine so widely used. And there is no trouble due to the poor, watery blood, or weak nerves, that Dr. Williams' Pink Pills will not cure. Protect yourself by seeing that the full name, "Dr. Williams' Pink Pills for Pale People" is printed on the wrapper around every box. Sold by all medicine dealers, or sent, post-paid, at 50 cents per box, or six boxes for \$2.50, by writing direct to the Dr. Williams' Medicine Company, Brockville, Ont.

THE ENEMY OF MAN.

Years ago, when France's Emperor found that the French people were going insane from the use of tobacco, and that the scholars in the national schools and institutions who used tobacco fell below in scholarship those who did not, he forbade its use.

The same lesson comes from Germany, when some years ago it was found that many of her boys were too stunted and short to serve in the army, and it was discovered that the use of tobacco when boys were young stunted their growth. Germany made a law that no person under sixteen years of age should smoke or chew in any public street or resort any tobacco in any form, and a heavy fine was attached to its violation.
