I'll do whatever I know will please Jesus,
I will be faithful in everything;
Yes, by the help and the grace that He gives me,
I will be loyal to my King.

SAVING IN SEASON.

A man with a bag full of gold sees no special necessity for economy; but if he spends with a prodigal hand, and scatters and lavishes, and wastes, his silver will be gone; and when he has only a few pennies left in the bottom of his pocket, he may be willing to economize and to save, but will find that it is too late to save when there is nothing left to be saved. When a man has "spent all," it is useless to talk about saving; the mischief is done, and he must take the consequences.

The same principle holds good in matters of bodily health and strength. There are people who have health, strength and constitution enough to live and labor seventy, eighty or ninety years, if they do not waste their vigor and vitality; but in early life they are so full of energy, that nothing harms or wears them; they can eat, drink, work, and indulge themselves in any way they please; but by and by they find they have gone too far, they have exhausted their capital, broken their health, and are beyond repair. There was a time when no one could advise them, or teach them anything; now they are willing to take advice, to spend money, to travel, to rest, to diet, to do anything that will restore them to health; and the feebler they grow the harder they labor to avoid the doom that approaches. No cost or pains are too great; they are willing to do anything, when they can do nothing, and when nothing they undertake to do will avail anything.

A young girl will injure her constitution, break every law of health, constrict her waist, compress her chest, expose herself to the cold with insufficient clothing, and laugh at all warnings and entreaties; but by and by when she sits in a rocking-chair, propped up by pillows, coughing her life away in consumption, she is willing to dress warmly, and loosely, live carefully, take rest, avoid exposure, and do anything you tell her; but it is too late!

The time to take care is when you have something to take care of. The time to save is when there is something to be saved. The time to learn wisdom is before folly has done its utmost; and the time to do right is now.—H. L. Hastings.

Wherever there are sickly people with weak hearts and deranged nerves, Milburn's Heart and Nerve Pills will be found an effectual medicine. They restore enfeebled, enervated, exhausted, devitalized or over-worked men and women to vigorous health.

COULD NOT WALK.

A Young Lady tells the Torture she Suffered from Rheumatism.

Miss Myrtle Major, Hartland, N. B., is one of the thousands who have proved that Dr. Williams' Pink Pills will cure rheumatism. Miss Major says: I suffered from the trouble for nearly a year. I had the advice of a doctor and took his medicine, but it did not help me. The trouble was located chiefly in my ankles, and the pain I suffered at times was intense. As a matter of fact at times I was quite unable to walk across the room, and for some six months I was confined to the house. I used liniments and other medicines prescribed for rheumatism, but they did me no good. Then some of my friends urged me to try Dr. Williams' Pink Pills. I acted on their advice and before I had used three boxes I began to feel better. I took nine boxes of the pills altogether, and before I finished the last box not a trace of the trouble remained. It is now nearly two years since I took the pills and as there has not been a symptom of the trouble since, it proves that the pills make permanent cures."

Rheumatism is a disease of the blood and can only be cured by treating it through the blood. That is why Dr. Williams' Pink Pills always cure this trouble. Good blood makes every organ in the body strong and healthy, and as every dose of Dr. Williams' Pink Pills make pure, rich blood, it follows that they cure such troubles as anæmia, neuralgia, indigestion, heart trouble, kidney ailments, erysipelas, the after effects of la grippe and fevers, etc. They also relieve and cure the ailments from which so many women constantly suffer. See that you get the genuine pills with the full name, "Dr. Williams' Pink Pills for Pale People," on the wrapper around every box. Sold by all medicine dealers or sent post paid at 50 cents a box or six boxes for \$2.50, by writing the Dr. Williams' Medicine Co., Brockville, Ont.

IS CHRIST SEEN IN US?

I am told that Dannecker, a celebrated sculptor, spent eight years upon a statue of Jesus. After having spent two years upon it he brought into his studio a little child, and, turning to her, said:

"My dear, who is that?"

She looked up at the wonderful work, and, after a moment or two, replied:

"It is a great man."

The sculptor saw that his artistic eye had been deceived, and he was smitten with disappointment. He said to himself:

"This will never do. I must change it. The statue must be a truer likeness of Christ than this."

Without loss of any further time he turned his chisel and his mallet for two or three years longer. He prayed about it in the vigils of the night, asking God for to help him, that he might reproduce the likeness of Christ upon the face of the marble.

The second time he paused. Once more he brought a little child into his studio and said:

"Who is that?"

The child looked at the masterpiece of work in silence, and then bursting into tears, said:

GATES' Acadian Liniment

Is a Never-failing Specific for Pain and Cure for Injuries.

Modern science has shown the danger of a wound of any kind becoming infected with bacteria. They float in the air and readily enter any abrasion or inflamed portion of the body often causing dangerous results. Hence the importance in modern surgery of an immediate application of some disinfectant. Nothing will be found superior to Gates Acadian Liniment for this use. A bottle should be kept constantly in the house ready for instant application. Its frequent use and great benefit will soon demonstrate its value to the possessor. Twenty-five cents will make the trial. Do not wait. Try it now.

Found at Last.—A liver pill that is small and sure, that acts gently, quickly and thoroughly, that does not gripe. Laxa-Liver Pills possesses these qualities, and are a sure cure for liver complaint, constipation, sick headache, etc.

It may be only a trifling cold, but neglect it and it will fasten its fangs in your lungs, and you will soon be carried to an untimely grave. In this country we have sudden changes and must expect to have coughs and colds. We cannot avoid them, but we can effect a cure by using Bickle's Anti-Consumptive Syrup. This medicine cures coughs, colds, inflammation of the lungs and all throat and chest troubles. It promotes a free and easy expectoration, which immediately relieves the throat and lungs from viscid phlegm.

"Suffer little children to come unto Me."

The sculptor said:
"I have gained it. This is a work of inspiration.

The untutored child recognized in the statue the face of the Lord.

My friends, when people look at you, when they watch with critical eye your life and examine with careful gaze your actions, whom do they see? Do they find an example of the world or do they see an exemplification of Jesus Christ? Do they see something which belongs to self and pride and worldliness, or do they find something which belongs to the other world—divine love and faith and true Christianity?—Selected.

Cures Pain in the Back.

Pain in the back makes life miserable for many. Can it be cured? Yes, in a night. Nerviline gives a complete knockout to pain in the back, because it is stronger, more penetrating, more highly pain-subduing than any other remedy extant. One drop of Nerviline has more power over pain than five drops of any other remedy, and it is true strength you want when you've got a pain. Your money back if it is not so. Druggists sell Nerviline.

There is no form of kidney trouble—from a backache down to Bright's disease—that Doan's Kidney Pills will not relieve or cure.

If you are troubled with any kind of kidney complaint, give Doan's Kidney Pills a trial.

Rich and Poor Alike use Painkiller. Taken internally for cramps, colics and diarrhoea. Applied externally cures sprains, swollen muscles, etc. Avoid substitutes. There is but one Painkiller, Perry Davis'.

To Prevent is Better than to Repent.—A little medicine in the shape of the wonderful pellets which are known as Parmelee's Vegetable Pills, administered at the proper time and with the directions adhered to often prevent a serious attack of sickness and save money which would go to the doctor. In all irregularities of the digestive organs they are an invaluable corrective, and by cleansing the blood they clear the skin of imperfections.
