THE "BOOMSTER."—Knoxonian, writing in the *Presbyterian*, tells of a kind of minister whom he calls the "boomster." He says "the clerical boomster comes into a new place, makes a great fuss, advertises profusely, keeps himself before the public by various ways, some of them of doubtful morality, and undoubted vulgarity, gathers all the cranks, faddists, rounders and feather-heads about him, and then fizzles out and leaves if he can find any place to go to. The boom bursts, as all booms do, sooner or later. Solid men have no use for a boomster. They have no respect for him.

## BOYS OF TO-DAY

### WILL BE MEN OF THE FUTURE.

They should be Rugged and Sturdy, Full of Life and Ready for Work, Play or Study—Keep them Healthy.

Growing boys should always be healthy and rugged. Ready for play, ready for study, and ready at any time for a hearty meal. This condition denotes good health, but there are entirely too many who do not come up to this standard. They take no part in the manly games all healthy boys indulge in; they are stoop-shouldered, dull and listless; they complain of frequent headaches, and their appetite is variable. Sometimes parents say, "Oh, they'll outgrow it." But they won't—it's the blood that's out of condition, and instead of getting better they get worse. What boys of this class require to make them bright, active and strong, is a tonic, something that will build up the blood and make the nerves strong. There is no medicine that can do this as quickly and as effectively as Dr. Williams' Pink Pills. Mrs. Mary Compton, of Merriton, Ont., tells what these pills did for her sixteen-year-old son. She says: "About two years ago my son Samuel began to decline in health. He grew very pale and thin at times, experienced serious weak spells, coupled with a tired, worn-out feeling, and as the weeks went by he grew worse. This alarmed me, for my husband had died of what the doctors called pernicious anæmia, and I feared my son was going the same way. I had often read that Dr. Williams' Pink Pills would cure anæmia, and decided that he should try them. A couple of boxes made a decided improvement in his condition, and by the time he had taken half dozen boxes his health was better than it had been for some years previous. His weight had increased, his listlessness had disappeared, and he was blessed with a good appetite. I may add that other members of my family have been benefited by the use of Dr. Williams' Pink Pills, and I consider these pills the best of all medicine."

Poor and watery blood is the cause of nearly all diseases, and it is because Dr. Williams' Pink Pills act directly upon the blood, both enriching it and increasing the quantity, that they cure such troubles as anæmia, rheumatism, indigestion, neuralgia, heart troubles, incipient consumption and the various ailments that afflict so many women. These pills may be had from any dealer in medicine, or will be sent post paid at 50 cents a box, or six boxes for \$2.50, by writing to the Dr. Williams' Medicine Co., Brockville, Ont. If you value your health, never allow a dealer to persuade you to take something else.

The world hates a hypocrite, and in spite of outward approval and friendly relation, it disapproves of every concession on the part of a Christian that involves a sacrifice of principle.—*Lutheran Observer.*

Politically, the beer keg and the whiskey cask are the symbols of power, and everybody knows that it is a most dangerous and degrading power.—*Christian Intelligencer.*
