TREASURER.—Mrs. D. McLeod Vince, Woodstock, N. B.

### THE BATTLE SONG OF MISSIONS.

Our eyes have seen the glory of the breaking of the day;  
Our ears have caught the bugle notes that come from far away;  
We see the lights on mountain heights, in burning words that say:  
Our God is marching on.

#### CHORUS—

Glory, glory, hallelujah!  
Glory, glory, hallelujah!  
Glory, glory, hallelujah!  
Our God is marching on.

We have heard the sound of marching feet by pagan temple wall;  
We have seen in valleys dark and deep the heathen idols fall.  
Where the Aztec bloody priests have stood we hear the gospel call,  
For God is marching on.—*Cho.*

Though brave ones fall in every land, recruits are marching by;  
Though martyr's graves from every strand to God for vengeance cry;  
The earth resounds the victors shout! Salvation's coming nigh!  
Our God is marching on.—*Cho.*

### REPORT FROM REV. J. N. BARNES.

To the Corresponding Secretary of the Woman's Missionary Society:

DEAR SISTERS: In sending you my report for May I would first ask the attention of the parents of the children of the Mission Bands to consider what I am about to say, for it is a matter of much importance. These children are working for Jesus Christ and the poor-benighted heathen, not for themselves or the sisters, but for God and humanity. It is a most solemn trust you have committed to your keeping, and God will hold you responsible for your careful attention to them, in assisting them in the way of attending the meetings and helping them provide ways and means to pay their monthly dues. By doing this, as requested, you will greatly benefit your children, please God, and very much help forward the work of missions in heathen lands by scattering precious seed which will be seen after many days. Brethren and sisters, I beseech you, "Think of those things," and "do them," and "the God of peace will be with you."

In this month I have visited and held services in twelve churches, organized three mission bands, attended twenty meetings, visited thirty-five families, travelled two hundred and fifteen miles, collected \$100.

For brother, etc.

J. N. BARNES,  
Jacksontown, June 11th, 1903.

### INDIA W. C. T. U.

The Woman's Temperance Union for India held its biennial convention this year in Poona. A large number of delegates were present, Madras, Bengal, Bombay, the Central Provinces, the Punjab, and the United Provinces all being represented. The convention lasted four days. The most important forward movement of the Union at present is the establishing of a Home for Inebriates, in memory of the late Miss Francis Willard. A considerable amount of money was collected for this purpose, but not enough to warrant yet the opening of a special establishment. In order that the work may be started,

it is proposed to contribute to the support of a limited number of men in the Men's Industrial Home in Calcutta, and of women in the Woman's Home in Bangalore, if arrangements can be made with the managers of these homes.

### A WOMAN'S ADVICE.

To Those Who Suffer from Headaches, Backaches and Ailments peculiar to the Sex.

Every woman needs plenty of pure, rich, red blood and sound nerves to carry her safely through her times of pain and sickness. Dr. Williams' Pink Pills are good in a special way for women. They actually make new health-giving blood. They give ease, strength, and vigor. They stimulate all the organs to perform their functions regularly and well. They banish all pains and depression, all headaches and backaches, and all the secret distresses that only a woman knows.

Dr. Williams' Pink Pills bring the sparkle to dull eyes and the rosy glow of health to cheeks once pale and pinched with silent suffering. They bring health and strength when all else fails. Here is a bit of strong proof from Mrs. John McKerr, Chickney, N. W. T., who says: "For some years I was greatly afflicted with the ailments which makes the lives of so many of my sex miserable. I tried many medicines, but found nothing to relieve me until I began the use of Dr. Williams' Pink Pills. These pills have made me feel like a new person; the almost continuous suffering I endured has passed away, and life no longer seems the burden it once did. I know other women who have been similarly benefited, and I think the pills are worth their weight in gold to all who suffer from female complaints or general prostration."

All over the land are suffering women who can obtain new health and strength through the use of these pills. Only the genuine should be taken, and these bear the full name, "Dr. Williams' Pink Pills for Pale People," on the wrapper around every box. Sold by all dealers at 50 cents a box, or six boxes for \$2.50, or sent by mail by writing to the Dr. Williams' Medicine Co., Brockville, Ont.
