What Others Say.

DON'T DO IT.

No preacher should stultify himself and the gospel he proclaims by preaching men to heaven who lived Godless, wicked lives, and died without repentance.—*Religious Telescope.*

GREAT HARM.

The cigarette is doing frightful harm to many of our boys. It is sapping their strength, stupefying their minds, weakening their moral fibre, and spoiling their manhood. Ask the school-teachers what the cigarette is doing among their pupils. Ask the doctors what the effects of cigarette-smoking are upon growing boys. The fathers and mothers

of Canada are deeply interested in this campaign. The mothers have no votes, but they have great influence over those who have. Let them use that influence to save the boys from the cigarette. — *The Guardian.*

RELIGION OF CITIZENSHIP.

There is nothing that so needs to be brought home to the conscience of young men as the religion of citizenship. Every young man ought to make himself thoroughly acquainted with his duties as a citizen.—*J. W. Dawson.*

WHAT THEY WANT.

People do not want sermons that are literary works alone, nor do they want philosophy or science; but they do want sermons with something in them to give men more hope and courage to face life's troubles.—*John Willis Baer.*

WHAT WILL YOU DO?

What are we going to do about it, electors? You have the remedy in your own hands. Do you want your representatives to stand up manfully for what they think is right, or do you wish your representatives to do the bidding of the political manipulators it that right or be it wrong? If you wish the latter, vote for the party machine men, the men who at any cost desire to strangle independence in politics.—*The Liberator.*

HOW TO GAIN HEALTH.

A Simple Plan that should be followed by all who are Sick.

If you could buy back your health on the instalment plan—say 50 cents a week, for a limited number of weeks, until cured—would you do it? Here is a plan worth trying: Taking into account their power to cure, Dr. Williams' Pink Pills are the most economical medicine, without exception. These pills have effected cures in cases of rheumatism, partial paralysis, St. Vitus' dance, indigestion, kidney trouble, anaemia, and other serious diseases of the blood and nerves. They have cured hundreds of cases where ordinary medicine had been tried and failed. They have restored helpless invalids to full use of limbs that had long been powerless. That is the best guarantee that these pills would not disappoint when used for simpler ailments. Taking one pill after each meal (as required for minor troubles) a fifty-cent box of pills gives nearly two weeks' treatment. For chronic diseases, when the larger dose is required, the cost of treatment does not usually exceed fifty cents a week. If you are sick or ailing, is it not worth your while to give so effective a medicine as Dr. Williams' Pink Pills a trial? What the pills have done for other people, they can do for you. Every dose makes the new rich blood that brings robust health and strength. They are the best tonic medicine to take at this time of the year when the blood is sluggish and impoverished.

Do not waste money on ordinary medicines, or substitutes; see that the full name, "Dr. Williams' Pink Pills for Pale People," is printed on the wrapper around every box. Sold by all medicine dealers, or sent post-paid at 50 cents a box, or six boxes for \$2.50, by addressing the Dr. Williams Medicine Co., Brockville, Ont.
