brethren Currie, Owens and Bowser, and that for the eastern side of brethren Fenwick, Irvine and Morgan. . . . Rev. J. Perry moved the following resolution, which was unanimously adopted:

Whereas, There has been such a wrong and injustice done the Free Baptists in taking the census of the denomination;

And Whereas, Dr. McLeod has exposed the fraud;

Therefore resolved, That this District Meeting unanimously approves of the labor and pains he has taken in showing up their wrong-doing, and here records thanks to Dr. McLeod;

And further resolved, That the Clerk of this meeting send a copy of this resolution to be printed in the secular papers.

Delegates to General Conference were appointed as follows: Brethren Chas. VanWart, John Long, J. B. Bowser and E. Morgan; substitutes, J. Briggs, E. West, B. Shaw and S. Cook.

Saturday evening there was a missionary meeting. Rev. J. N. Barnes presided. Prayer was offered by Rev. J. Noble. Mrs. Secord, Sec.-Treas. of the W. M. Society, read her report of the year's work of that Society. It will be published later in the W. M. Society department. There was a solo, The Prayer of Faith, by Bro. Morgan, and a duett by brethren Wheeler and Morgan. Missionary addresses were made by brethren McLeod and Parker, and there was an interesting reading by Mrs. John Palmer. It was a very good meeting.

Sunday was bright and pleasant. The Sunday school met at 10 a. m., Bro. Barnes in charge. The preaching services were as follows: II a.m., Rev. Dr. McLeod; 3 p. m., Rev. J. Noble; 7.30 p. m., Rev. G. W. Foster. Tracey Mills, 11 a. m., Rev. A. W. Currie; 7.30 p. m., Rev. Dr. McLeod. Boundary Line, 3 p. m., Rev. G. W. Foster. Upper Knoxford Baptist Church, 3 p. m., Rev. John Perry. is taking revenge by putting all the obstacles he can in the way. For one thing, he turned off all the blacks who were employed, and, as you know, the labor question is one of the difficult ones in South Africa at present. . . . The weather is still exceedingly pleasant, though we had a couple of cold days a week ago. I am more and more impressed with the beauty of the climate. It is one of the delightful things about the country.

ARE YOU CONCERNED?

Statements of accounts were sent recently to many subscribers.

Several hundreds of them have not

yet been heard from.

Did each one of them think—"Now every one else will pay at once, and it will not make any difference if I

neglect it a little longer?"

Probably many had that thought.

How far astray they were they now know.

There is just one way to remedy the mistake—for each one to pay at once, without thinking anything about

what others may do or may not do.

The hundreds of payments now past due ought to be made without an-

other day's delay.

We not only ask but most strongly urge every one of them to respond at once. This statement and request would not be made if not absolutely necessary.

Even one who owes the INTELLI-GENCER any amount, whether large or small, ought to pay it now.

Fairness to themselves and to us demands it.

If you are of those addressed, do your part.

SUPPRESSING PROFANITY.—A new society has been formed in England for the suppression of profanity, known as the "National Association for the Suppression of Bad Language." Referring to this fact the Canadian Baptist says: "As indicated by its name the object of the organization is most praiseworthy in every way, but as indicating a condition of morals and manners in even good society, its necessity is deplorable. Profanity and bad language are the expression of people of low origin and coarse and vulgar minds, and no matter what such persons may now appear or pretend to be, these signs are unfailing as to the gutter from which they came and where they still belong. Both of these vile habits prevail to some extent in Canada, but in towns and cities they are lalmost invariably associated with drink, and the abandonment of the drink habit generally reforms the blasphemer and the low of speech."

A like association is needed in other countries than England, and even in Canada would find something to do.

NEW STAMPS.—The issues of postage stamps bearing the likeness of King Edward VII, copied from the latest portrait of his majesty, painted since his accession to the throne, representing him in royal robes of scarlet and ermine, and now in York House, the London residence of the Prince of Wales, will be placed on sale on Dominion day. In each of the upper corners of the stamp is a Tudor crown, while in the lower corners a maple leaf with a numeral indicating the denomination of the stamp, gives it the Canadian quality. The portrait is an excellent likeness of His Majesty. The stamps of the issue are of the following denominations and colors. One cent, light green; 2 cents, carmine; 5 cents, blue; 7 cents, olive green; and 10 cents, mauve. The first three are in accordance with universal postal scheme of colors. The 7 cents stamp is specially designed for registration purposes.
