**HOME MISSIONS.**

Received from Long Point Church \$3.00

F. CLARKE HARTLEY, Fredericton, April 26, 1904.

—New York has a new Y. M. C. A. building which cost \$860,000, and was opened free of debt two weeks ago. It is pronounced to be the finest, largest and best equipped Y. M. C. A. building in the world. It will cost \$60,000 a year to run the building, and \$48,000 of that is in sight. New York in some respects is a pretty bad city, but she has many consecrated Christian men who keep in motion a magnificent work on behalf of young men in that city.

**ONE THING DONE WELL.**

**The True Secret of a Remarkable Success.**

Dr. Williams' Pink Pills for Pale People do only one thing—but they do that one thing well. That is the secret of their success. They actually make new blood; just that and no more. But good blood is the best cure—the only cure—for most diseases. Most diseases are caused by bad blood. Anæmia, paleness, pimples, eczema, indigestion, biliousness, kidney trouble, backaches, side-aches, neuralgia, nervous troubles, rheumatism and the special secret ailments of growing girls and women—these are different diseases, but they are all due to bad blood. Ignorant people sometimes laugh at the idea that one little medicine can cure all these different diseases—but they forget that they were all caused by one little trouble—bad blood. The foolish people are those who take a different medicine for every symptom without thinking of the one cause at the root of them all. Dr. Williams' Pink Pills strike at the root, bad blood and nothing else. They fill the veins with new, strong, rich red blood, which reaches to every corner of the body, toning the nerves and bracing each organ to throw off weakness and disease. In a brief way here is some strong proof of confirming the above statements:

John Craig, Kells, Ont., says: "I was paralyzed and had no power over my right arm or leg. I had to be lifted like a child. Dr. Williams' Pink Pills have cured me, and to my neighbors the cure seems like a miracle."

Miss Blanche Durand, St. Edmond, Que., says: "The doctor told me I was in consumption. I had alternate chills and fever, and severe cough, and was daily growing weaker. Then I began the use of Dr. Williams' Pink Pills, and my health and strength have fully returned."

Mr. John McKerr, Chickney, N. W. T., says: "For some years I was a great sufferer from the ailments that make the lives of so many women miserable. I never got anything to relieve me until I began using Dr. Williams' Pink Pills, and they have made me feel like a new person."

Mrs. Albert Luddington, St. Mary's River, N. S., says: "I was a cripple from rheumatism until I began using Dr. Williams' Pink Pills. Now the aches and pains have left me, and I am as well as ever."

Mr. M. Cook, Lamerton, N. W. T., says: "Dr. Williams' Pink Pills cured me of a severe attack of erysipelas."

Mr. William Holland, Sarnia, Ont., says: "I suffered for two years with kidney trouble. I tried many medicines, but got nothing to help me until I took Dr. Williams' Pink Pills, and after using them about a month every bit of the trouble was gone."

What Dr. Williams' Pink Pills have done for these people—and for thousands of others—they will do for you, if you will give them a reasonable trial. Sold by medicine dealers everywhere, or by mail from the Dr. Williams' Medicine Co., Brockville, Ont., at 50 cents a box, or six boxes for \$2.50.

**HUDSON BAY ROUTE.**

Mr. J. W. Tyrrell, the Canadian explorer, in a talk before the Canadian Club, Toronto, a few days ago, told his opinion of the Hudson Bay route from the Canadian west to Europe. He says the route is navigable for about half the year, at least, and he believes a large traffic will go that way some day—perhaps much sooner than many expect. Shortening the distance to Liverpool about 800 miles is an important thing in transportation.
