THE OBISPO RUBBER PLANTATION CO.

The Republic Development Co., contractors for the plantation "San Silverio el Obispo," announce the earnings from that property for the year 1903 as eight per cent., payable January 2, 1904, to share contract holders of record December 15, 1903.
MAXWELL F. RIDDLE, Treasurer.

NOTE:

This Plantation has previously paid 7 per cent for 9 months of 1901 and 10 per cent. for the year 1902—total, 25 per cent. to date.

These earnings are entirely from side issues or temporary sources of revenue resorted to for an income on capital invested during the period necessary to develop the main portion of the property to Rubber, Cacao and Vanilla.

This work has been underway for three years and will require four years more. Then the income will be in the neighborhood of 100 per cent. on present investment. Meanwhile 7 per cent., 8 per cent. and 10 per cent. is being earned and paid investors.

A Good Name is to be Prized.— There have been imitations of Dr. Thomas' Electric Oil which may have been injurious to its good name, but if so, the injury has only been temporary. Goodness must always come to the front and throw into the shadow that which is worthless. So it has been with Electric Oil, no imitation can maintain itself against the genuine article.
