# JANUARY RENEWALS!

Renewals for 1905 are in order now. We are expecting that all present subscribers will remain with us this year. We are hoping, also, for many new subscribers. Prompt payments are a great help. Let us hear from you all this month.

### To those afflicted with Catarrh, Bronchitis and Asthma.

Having been very much improved by the use of Dr. Blosser's Catarrh Cure, and knowing that others who were afflicted with asthma have been benefited by its use, I feel confident that it is the best remedy for asthma now available. I have suffered untold misery from strangling, wheezing, choking and coughing for the last three years of my life, and have tried all kinds of sure cure remedies with no benefit whatever. But having had my attention called to Dr. Blosser's remedy about three months ago, I procured a supply of it, and soon found my trouble subsiding. I have continued to use it according to directions, and for the last two months I have been able to go about, and preach two or three times on Sundays, and lie down and sleep comfortably, which I could not do for nearly three years before, having to sit up in a chair most of the time day and night, I am in great hopes of a thorough cure inside of a year. And any one who is suffering with this seemingly incurable disease, I believe can be relieved by the use of Dr. Blosser's remedy. I have been urged by several friends to secure it for them to such an extent that Dr. Blosser has asked me to act as his agent for the Maritime Provinces. I will therefore send samples of his remedy to any one afflicted with catarrh, bronchitis or asthma, free of charge, and if they desire to get more I will furnish it to them at the Dr.'s price—one dollar a box and fifteen cents for duty and postage on it also. I will also send to patients the Dr.'s little booklet, and other publications. In sending for samples of the remedy, inclose a two cent post stamp to mail it with. Write your name and post-office address plainly. I make no charge for my services.

St. John, North End.

### THE MONTREAL WITNESS.

The *Witness* (Daily and Weekly) gives all the news that is worthy the attention of the average reader. It keeps its readers well informed on all subjects of interest. The cable, the telegraph, and the telephone, together with an ever-increasing staff of competent editors and reporters, all unite to make its news columns second to none. The *Witness*' editorial pages are able and forcible.

Reliable commercial news and quotations of the money, stock and produce markets are features that make it of value in the world of commerce, finance and agriculture.

The *Witness*' special departments, such as "The Home," "Literary Review," "Letters from Readers," "Boys' Page," "Children's Corner," "Queries," "Agricultural," "Horticultural," "Veterinary," "Poultry," "Pets," "Medical," "Legal," "Numismatic," "Chess," etc., etc., are ably conducted by specialists at a large expense, offering a most valuable privilege to *Witness*' readers.

In 1846 the *Witness* was started by the late John Dougall, and his aim was to supply the Dominion of Canada with the best possible newspaper. One which would always keep in mind high ideals. The *Witness* has grown since then. But it has never outgrown the principles that are, so to say, engraved on its corner stone.

Few papers have had a continuous existence for so long a period. Fewer still have held to the same principles and have been controlled by the same family for anything like so long a time. The result is that the *Witness* enjoys a loyal constituency, and a wide one.

A newspaper published on the *Witness*' lines needs the support of those who are willing to pay its subscription price, for it voluntarily foregoes in the interest of its subscribers much revenue from pernicious advertisements, etc., that other publications accept. We understand just a day or two before Christmas the *Witness* refused over two thousand four hundred dollars for the insertion of an advertisement calculated to injure its subscribers.

The *Daily Witness* is \$3.00 and the *Weekly Witness* is \$1 a year. Published by John Dougall & Son, Montreal.

### AN UNSEEN HARVEST.

One of the early Moravian missionaries to South Africa started a school among the Bushmen. When the Dutch government found that his converts were learning to read and write, and to lead intelligent Christian lives, they sent the missionary home. But every day of his life for over forty years he prayed for his beloved Bushmen, and was at last found, like Livingstone, dead upon his knees. But his prayers were answered, for when the Moravian Church resumed the work, half a century afterwards, they found some faithful converts of the pioneer missionary.
