our attention first, and as often as his cause demands.

The world and dead proferers still have much fault to tind with those who love the Saviour better than any, etc., but this is not always true. But to glow with intense heat in some places. they, like Judas, are not particularly concerned about the man's business, nor the woman's home, but are showing that they are of the world, theresioned those who count the things of this life as of the greatest importance, to look after those things, and those who are alive to God and his cause to attend to the work of the Gospel. Evidently this man thought his first duty was to his father in his old age, but the Lord implied that there were others in the family to attend to even his burial.

The people, generally speaking, who do the most for Jesus, are the men and women who overcome many hindrances for the privilege of doing what they can for him.

Brother, sister, do you not hear his voice saying "But Go Thou."

#### GLOWING.

LOUIS F. MITCHELL.

This word sounds softer and more mile than the word burning, and some would find it has a very intense meaning, i. e., So we will have to be very hot for God before there will be much glow. Hot tea, steaming viands, are in demand every where, and men insist on having them Should not the church of God also love and demand hot things? Many are wakor all earthly things, and manifest it ing up and demanding them.
