A SUCCESSFUL MEETING.

According to appointment we opened a ten days holiness convention with the Union Holiness church at Robie, Aroostook County, to hold a three weeks convention in that community at which time the Lord wonderber were saved and sanctified. Our joy was great then but it was increased as we returned and found so many who were blessed in that meeting still standing steadfast in the Lord. What a blessing to find converts standing fast, among them young people, middle aged and aged. Among many reasons for joy was the salvation of a man past the middle age of life, who, when we first went there, was in awful darkness and as he now expresses it he was in the dark ages without a Bible or a Christ. The Lord awakened some desires in this brother's heart during the meetings and about eight months later he found the Saviour and today it certainly

is blessed to hear him exalt the blood. Our recent convention opened the ninth and closed the eighteenth. The brethren and friends were glad to greet us and were eager in desire for God's blessing to be made manifest. God was very present in the opening service and in each succeeding service his presence was graciously felt. During the first days the church were greatly strengthened in faith and settled in love, and our praysouls saved, and the first case to honor the faith of God's children was the salvation of a hardened old sinner who had reached the three score years and ten. Eight or ten prosessed to be saved among them some noble young men and women. A number were reclaimed and some definately claimed the experience of entire sanctification, many cases still linger in our hearts that yet prayer may be answered and we shall see them
