**HOME MISSIONARIES.**

Those working as home missionaries, should be active helpers in our missionary enterprises. A faithful missionary will stir up missionary interest, a man must have heart in his work to be successful, the spiritual vitality of a man or a church can be accurately measured by his, or its missionary interest, for both home and foreign missions.

We sincerely pray that our home missionaries may be wonderfully blessed in their work and that they may be directed by the Holy Spirit to the right fields, and that their work may be done in the power of the Holy Spirit, they themselves being fully under his guidance and entire sanctification of the people, the latter being their speciality. We have heard of professed holiness men covering up their identity when going into places where opposition was strong against holiness. One who would be guilty of such an action is a weak coward, and devoid of common honesty, and no truly sanctified man would resort to such double dealing. Genuine holiness needs no trickery, but it is straight, honest, strong in faith, manly, noble, transparent, free, liberal, gentlemanly, aggressive, consistent, and persistent, patient, humble, pure and powerful, God is their strength and truth its weapon of warfare, and heart purity its object.

**A GREAT REVIVAL NEEDED.**

None can doubt the need of a great general revival. There are so many of what we call our best homes, that have no family worship of any kind and that take no active part in public worship, and who live in the very atmosphere of worldliness. There are so many so-called christian homes that are only so by name, for the great majority of them have no family altar, the majority of these families have either never been converted, or are backslidden, and again among those recognized as active Christians so many openly confess that they are only half hearted.

There are we believe in most if not all churches a few people who sincerely pray, and know how to pray, we

appeal to all such to unite in prayer to God for a general outpouring of his spirit upon the whole country, and that we may see a great, deep, true, spiritual and general revival, resulting in the pardon and entire sanctification of many thousands of people the coming fall and winter months, in fact a continuous revival for years to come. We have a great Almighty God, let us ask of him great things.

**FRUITFUL OLD AGE.**

"They shall still bring forth in old age; they shall be fat and flourishing." Psalm 92:14.

This declaration of the Psalmist still holds good when applied to old people enjoying the blessing of entire sanctification. We are personally acquainted with several old people in whose lives the fruits of the Spirit; such as love, joy, peace, gentleness, brotherly kindness, longsuffering, temperance and faith shine forth even amidst the infirmities of eighty odd years.

God bless our aged ones, and help us not to forget or neglect them.

**SELF-SUPPORTING.**

The quick and economic way to make our South African Missionary Station self-supporting, is to buy the farm, which will save \$250.00 per year in rent. This is easily within our reach, it only means \$2.50 for our brother or sister, to be paid by the 1st day of June, 1905. Will you do it? It is nonsense for you to weep and pray for the benighted African unless you will do something practical toward their salvation. Faith, works, and prayer are sure of success.

**BOOK NOTICES.**

Be careful how you buy religious books from strangers, there are books being sold all over the country that teach error of every description. The worst we have seen, is entitled, "Messianic Dawn, or The Divine Plan of The Ages." It teaches among its other errors future probation. It will sow seed that will only produce confusion.

We have just to hand a little book of 84 pages by Rev. A. Sims of Toronto, entitled "Valuable Bank Notes, or God's Immutable Promises, Searched, Tested And Found True." It is full of rich and good things. Price 50 cents. Rev. A. Sims 110 Broadview Ave, Toronto, Ont.

**EVERYTHING WRONG.**

The fellow who does nothing, originates nothing and accomplishes nothing, unless everything is laid ready to his hands, usually finds lots of fault with what is done.

Union may be strength, but it makes some difference what kind of strength, numerical, political, financial, or spiritual. Spiritual strength comes by union with God, this union is the great need of the church of today, thank God the few may have it as well as the many, for it must be sought by each individual member.

It is a good and wise plan to put the trysquare of truth on ourselves, before squaring up others. We once heard of a man swearing while beating his son for swearing.

We have heard men preaching love, when their very manner showed the absence of love in themselves, if we have it, it will come out on us without herb tea.

Caustic words burn, but they are not fire, but may be fiery darts (of the wicked).

Be sure the beam is out before you try to remove motes.

**REPORT OF QUARTERLY MEETING.**

BEAL, Maine, September 3, 1904.  
The business meeting was held on Saturday at 4 p. m. Officers elected as follows:—

Rev. A. L. Bubar, president.  
Mrs. L. Willis Beal, treasurer.  
Mrs. A. L. Bubar, Secretary.  
Rev. H. C. Archer, HIGHWAY Agent.  
Roll called, the following were found to be present ministers:—H. C. Archer and A. L. Bubar. Delegates:—Lubeck, Brother Fred Moses and Jas. Tyler; North Head, Mrs. H. C. Archer; Beals, Brother Steven Woodward and Mrs. O. E. Wallace; Calais, represented by letter.

Brother Tyler spoke in reference to the work at Label Ridge. He said that as there were but few, the church had been closed for some time, but he had made up his mind that he would do what he could towards keeping the church open and holding services on Sunday. His faith in God assured him of victory in the future.

Brother S. Woodward, being called upon, spoke with reference to the work at Beals. He said that during the year they had paid the debt on the church of over \$450.00. We had also expended over \$100.00 in improvements, besides paying our pastor and meeting the running expenses. God has blessed us in these matters. We have also a spiritual church. God has given us a great revival and a great victory and many have been added to the church. Sister M. Wallace spoke in reference to the way the Lord has blessed them in the Sunday school work and His blessing was continued in the present.

Brother H. C. Archer then spoke with reference to the work at Grand Manan. He said we have two good churches. We also have been making repairs on our building during the spring. Referring to the spiritual welfare, he said, some are not up to the standard of christian experience, but others are. All our services are seasons of much blessing. We purpose to be true to God and to the experience of full salvation He has given us.

Calais church reported by letter as follows:—The church is kept open for Sunday services. We have no pastor with us this year as yet. A few are standing true to the cause of holiness and we enjoy God's presence. Our Sunday school is prosperous. We pray God to give victory at the quarterly meeting.

MISS GERTRUDE YOUNG, clerk.  
On motion the following committee was appointed to arrange for the next quarterly meeting:—Rev'ds. A. L. Bubar, H. C. Archer and C. S. Hilyard.

H. C. ARCHER, Secretary Protem.

**Ministers and Churches.**

Rev. S. Greenlaw enjoys the work on his new circuit very much. Brother and Sister Greenlaw will reside at Millville, York County, N. B.

Lawson Cosman, son of Rev. H. H. Cosman, who has been a conductor on the street railway, will soon leave for Boston to study for the ministry of the Reformed Baptist church.—Daily Telegraph.

Rev. C. T. Phillips is to become pastor of the Free Baptist church at Hartland, October 1st. Rev. A. J. Prosser is to take charge of the Waterloo Street Free Baptist church at St. John.

Missionary talk is good, let us try a little missionary "do" which is far better. Take an acre of the "Missionary Farm."

We enjoyed a letter from our aged Brother Magnus Green, of North Head, Grand Manan, recently, in which he expressed strong love, and praise and gratitude to God, despite his loneliness.

Our aged Brother T. Keirstead is still holding meetings as he has an opportunity. He was with us at Lower Brighton on the 6th instant.

The missionary society organized at Victoria Corner recently is increasing in membership and the young members are busily engaged making useful little things to send by Sister Morgan to Africa.

Rev. J. Gravinor and wife passed through Hartland on the 7th inst. on their way to Gordonsville to hold a few meetings.

Rev. J. H. Coy and wife have returned home from Beulah.

Rev. A. L. Bubar has decided to postpone the Convention he intended to hold at Beals, Me., in the present.

Rev'ds. Henry Smith and A. W. Morrell are going to Grand Manan to assist Rev. H. C. Archer in special meetings.

Rev. B. Colpitts addressed a mass temperance meeting; arranged by the W. C. T. U. at Hartland Sunday evening 11th instant. Mass meetings are to be held monthly in the churches during the fall and winter.

Perth whiskey and Hartland beer, kept several men drunk most of last week. The quantity of beer sold at Hartland must be large, for it is said that one man who is paid \$2.00 per day recently paid over what was left, of his months wages after paying his board, and then gave his note for \$16.00 to settle his beer bill.

Rev. J. H. Coy spent Sunday 11th inst. at Calais. He may engage with that church for the ensuing year.

Rev'ds. H. F. Reynolds, H. N. Brown, A. H. Trafton, M. S. Trafton and Clements attended the tent meetings at Norton Station, an excellent season was enjoyed.

Rev. A. H. Trafton is now at Upper Millstream, Kings Co. holding meetings.

**CORRECTION.**

You will please insert the following as an explanation of blunder made by type setter or some one else in my communication published in your last issue. The paragraph referred to reads as printed of the Sabbath not mentioned above one was spent at Riverside three miles between Upper Queensbury and Lower Southampton. It should read; of the Sabbaths not mentioned above one was spent at Riverside and the other three between Upper Queensbury and Lower Southampton. J. GRAVINOR.

**RIGHT.**

Dear old Brother Brown used to say:—"If we live right, and do right, and act right, we will be sure to come out right in the end."

Not only so, but we will feel right while on life's journey.
