BEULAH FUND.

With this issue we are compelled for lack of space to confine the diagram for this "Fund" to one column. As soon as the squares in this part are filled, we will be pleased to give it more space. Now, we trust that we may soon have to do this. We are glad that some are sending in what they can, and we trust that others will do the same. Also in reference to the "Ladies Fund," we hope that the sisters will continue to contribute to it, and we would suggest that in each church, some sister would take this matter in hand and make it her business to see every sister in the church, and ask them to assist. Sister Joseph Bullock made a very generous offer when she said that she would give one dollar for every dollar the sisters should raise, up to \$250.00. Now she says to us, and we want to whisper it to you, that Sister Bullock is ready to even double her amount, and make it up to \$500.00—So that when the sisters pay in \$500.00 she will pay the same, and thus we shall have \$1000.00 Let each Sister do what she can to assist in thus clearing "Beulah" from debt.

SPECIAL NOTICE.

With this issue you will notice a change on the wrapper of your paper, as a printed label appears on it instead of the written name.

You will notice on this small label, the date to which your subscription is

This relieves us of the burdensome task of sending a notice to any who may be behind with their subscription, and we wish you to consider it a reminder for you to attend to the matter as soon as it is convenient for you to do so. If very far behind, write us and we will make some reduction to those who will pay up. This also does away with the list of acknowledgements in the paper. When you remit the date will be changed on label. This change will be made once each month.

PRESENTATION.

The following address, accompanied by a table mirror and silver fern dish, was presented to Mrs. Walter Saunders at St. John last week, as she was leaving for Moose Jaw.

Dear Friend:—

On this the Eve of your departure for the "West," we felt like meeting with you and wishing you God-speed. We are sorry that you and your companion have felt it best to leave the home-land, but hope that prosperity may attend you and that many years of happy married life may lie before you.

We want to say good-bye in some tangible way and ask you to please accept these small tokens with our hearty good wishes.

LADIES' BEULAH FUND.

(Received since last issue.)

Rev. I. F. Keirstead
 \$10 00 || Total rec'd to date | \$147 00 |

We were much pleased to get a note from Sister Keirstead in Africa which contained five dollars towards the Beulah Fund; and lately we received a note from her husband, Rev. I. F. Keirstead, enclosing ten dollars towards the same fund, which was an additional pleasure; as we thought of their self-denial, while receiving so small a salary for their labours, as we are informed.

Now we have been thinking that if each sister of the denomination would give as much as Sister Keirstead has given we could raise a nice sum towards paying off the debt on Beulah. Or if each sister of the denomination would even give one dollar what a nice amount would be raised. There must be at least one thousand sisters who are members, but now leaving out those who may be away from home, or at a distance, and the younger girls, there are surely five hundred women who can contribute at the least one dollar each, and many can contribute more, as some of the sisters have already given as high as twenty dollars which shows their interest in this fund. We are pleased that the sisters have already paid more than half that was promised, and I am sure if the others will do as well we shall have a nice sum to pay on the debt by Camp Meeting time.

Your Sister in Christ,
MRS. JOS. BULLOCK,
Treasurer,

St. John, N. B.

He was a brother of Dr. H. C. Sanders of Hartland.

Mr. Magnus Green died at the home of his daughter, Mrs. Kent, Pictou, N. S., on Tuesday, 7th inst., aged 88 years. The remains were taken to Grand Manan, his former home, for burial.

The "Highway" extends sympathy to those who mourn the loss of these loved ones.

How quickly time passes!
Soon, if the Lord will, we will meet again at Beulah. What joy it would bring to our hearts if we could know that our beloved Beulah was free from debt. I am fully persuaded that this can be accomplished, if each will do their part. Surely every member of our denomination would like to have a share in Beulah.

Now, if each of the pastors would bring this matter before their respective churches and talk it up I believe most all, if not all, would contribute. Many may say they have nothing to give, but if they have a will to give, a way will be found. Surely you can give one dollar. And if you are too poor to give a dollar then give half a dollar, but BE SURE YOU GIVE SOMETHING to have a share in Beulah and help in relieving OUR beautiful Camp Ground from debt. Be sure to say "OUR" Camp Ground because part of it belongs to YOU. If each pastor would do as I have suggested he would be astonished to find out how much would be accomplished. And the pastors and our Evangelist can consistently urge the people to contribute as they have done nobly themselves. If the Ministers will bring this matter before their congregations there are those who are not members of the denomination who will no doubt contribute. We ought to be able to raise one thousand or more by this method. Will we all try to do our best? Now is the time to do it.

The sisters have already paid in more than half they promised to Mrs. Bullock's Fund. The brethren have not gotten that far.

Brethren we will have to hurry up or they will get ahead.

Let us ALL help.
Let us hear from you beloved!
