SANDFORD, N. S., Jan. 7th, '95 Dear Highway:-

Perhaps a word from this quarter would be of interest to your readers. Brother MacDonald, our field evangelist, came to labor with us on Dec. 30th, and we have been holding meetings for one week. The weather has been rough and stormy, but the people have attended the meetings and have been greatly strengthened, and conviction is deepening. Bro. MacDonald is the right man in the right place, and as he preaches the word the Holy Spirit is present to carry it home to the hearts of the people. It was our privilege to visit the Lake yesterday (Sunday). I noticed a marked change in the interest and spirituality of the church at Port Maitland, the result of the late special meetings held there. We had a good season together. the Lord was present. The church is strong in the Lord. Brethren, pray for us that great victory may be the result of our efforts in this place My testimony is that Jesus saves.
