are expended; there is a large and encreasing taken to prevent the spread of the infection, einumber, who wish to be informed upon the subther from the Island or the vessel. ject: who know their rights and knowing dare

The bridge as we have already stated is half a mile in length, built in very shallow water; and altho' it has not been erected we believe quite two years, has sunk in some places, risen in others, and has been thrown off its direct line; while the piles which support it, from having been inadequately driven, have in some instances been forced from underneath by the pressures of the icer and the consequence is pressure of the ice; and the consequence is that the entire concern will have to be replaced; for the bridge is of too much importance to be

on the stocks, one or two of which were nearly

ready for launching.

Mining operations have been carried on in the County of Gloucester, during the last two or three years; but we believe with partial and very inadequate success. At present there is a geologist from Great Britain examining the country; and just before our arrival, he had started in company with Mr. Stevens for the started in company with we understood he

After remaining a day at Bathurst, and again visiting Newcastle and Chatham, we set off on our return; and found the woods on fire near Couglan's, but passed through them with but little difficulty. By the following Monday however the flames had encreased to a fearful expert that the stage of the former place.

On Tuesday evening last, Mr. John Laurence, to Miss Eliza Ann, third daughter of Mr. Richard Gridley, of Clements, Nova-Scotia.

At Sussex Vale, on the 25th ult. Mr. Robert Seely, of the Parish of Kingston, to Charden Charles and Chatham, we set off on the Country of the former place. ever the flames had encreased to a fearful ex-tent, and it was with difficulty that the stage could pass, being impeded by the burning wind-

trees.
We arrived at Coughlan's late in the evening where we remained all night. The house is not sufficiently capacious for the accommodation of travellers: but there is every desire to please on the part of its inmates; and as Mr. Couglan is about 'erecting another building, there is no doubt but that he will meet with extended pubdoubt but that he will meet with extended public support; and his property being about 25 miles from Newcastle, should an intermediate house be established, the line in that part of the house be established, the line in that part of the vears—At same place, on the 28th ult.
