ATHLETE'S FOOT

Almost everybody complains, at one time or another, of this trouble with the feet. Whether the result of ill-fitting shoes or disease germs the result is keenest discomfort. There is redness, irritation and itching and burning of the skin which becomes discolored and peels off. By bathing in hot water and applying Dr. Chase's Ointment relief is soon obtained. Most golfers, swimmers, tennis and ball players know of the effectiveness of this time-proven medicinal treatment. It kills the disease germs and clings to the skin, soothing and healing it.
