Highways should be Safeways not Speedways

THIS IS

Safety Education Week

for all New Brunswick

MAY 31st to June 6th

To Make Our Roads and Streets SAFE for
Motorists, Pedestrians, Everybody!

ONLY
YOU
CAN
DO
IT

ONLY
YOU
CAN
DO
IT

All that is Necessary is a Little Common Sense!

If the Motorist is Careless, and if the Pedestrian
is Indifferent, if the Drivers of Vehicles Fail in
their duty, then Accidents Are Bound To Happen.

—BUT—

Accidents DO NOT Happen—They Are Caused—
Eliminate the Cause and THERE CAN BE NO
ROAD MISHAPS.

Life Is Short,
Don't Make
It Shorter

The poorest gamble in life is when any-
one—motorist, driver of vehicles or pedes-
trian—ignores a safety signal or fails to
use ordinary precautions, in order to save
a few minutes.

Road Courtesy
Costs Nothing
and it
Saves Lives

**Every Man, Woman—and Child, too—in New
Brunswick is asked to Co-operate in
Safety Education Week—May 31st to June 6th**

Follow the announcements in your daily or weekly papers—Join one of
the Committees—Help make the roads and streets SAFE at all times.

Careful Driving

Demands
