A 32-Piece Set of English Dishes FREE!

For those who will be interested in an ENTERPRISE COOKING RANGE, other than the "Iron Duke" advertised above, we are making an equally generous offer of a 32-Piece Set of ENGLISH DISHES FREE with each purchase. This is an outstanding profit-cutting offer on our part, the object being to get orders booked as early as possible in order to guarantee delivery in time for the spring-moving period when families changing their address are most likely to need a new stove and thus save the additional expense of installation at other times during the year.
