

"Oh, Doctor!" Is A Musical Comedy You Must Witness

Local Talent Under Kiwanis Club, April 20-24, in High School.

The romantic musical comedy "Oh Doctor" to be presented in the Saint John High School auditorium, April 20-24 by the Kiwanis Club for their underprivileged child work, gives promise of many surprises for those attending. The committee is bending every effort to present to the public one of the most elaborate, colorful and entertaining musical plays possible. The scenery has been specially designed and painted, depicting a beautiful sunken garden with its mystic well. The garden is bordered with beautiful arches forming entrance to the interior. The scene provides an atmosphere of gaiety, romance, hilarity, set to the strains of irresistible music, including the modern rhythms. The tilting strains of sunny Spain, señoritas with their tambourines and castanets, the seniors with guitars are features.

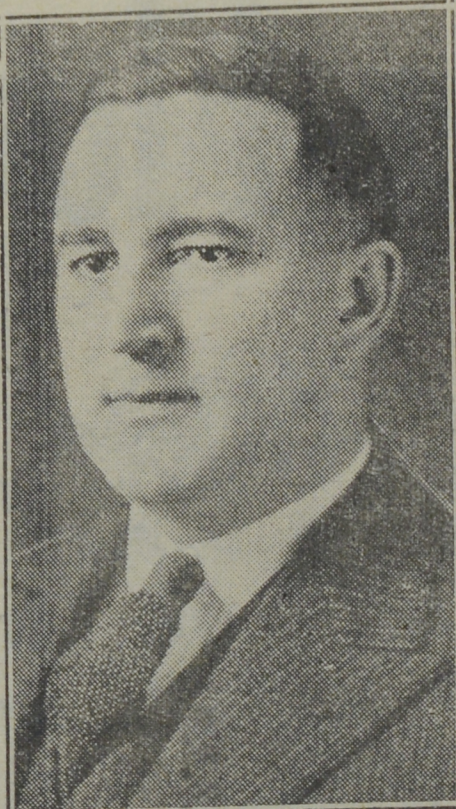

There are special spectacular numbers and features which make for a complete program of entertainment. And songs, there are many, including the dashing drinking song, song of the ranchers and the bold bad robber chorus. The sweet restful strains of the melodious Angelus as the day fades and the twilight awakens, the Birthday chorus and the humorous Oh Doctor sextette, and many others of varied tempo are delightful. The snappy dancing keeps pace to the swift pace of the operetta.

"Oh Doctor" will be under the direction of Fred A. Hazel, who is well-known to Saint John audiences, having directed those memorable operas, which delighted thousands a few years ago: "The Belle of Barcelona," "Gypsy Rover," "Christiania of Greenland" and others.
