A. election ticket from presidential nominee down, on the 1936 ballots, has both major parties worried, it is declared in Washington. The pair are seen in their Washington headquarters. Clements is actual manager of the organization

One Thousand Dollars Each For the Best Fiction and Non-Fiction Works.

(By Central Press Canadian) Toronto.-Canadian literati will find encouragement in the announcement that a Canadian book contest is being organized by a Canadian and an American publishing house to run during the first six months of 1936.

With the co-operation of the

Canadian Authors' Association, George J. McLeod Limited and the Dodge publishing Company are offering \$1,000 each for the best fiction and non-fiction works by Canadian authors. The contest is open to any Canadian citizen and the prize money will be paid within a month as part of advance royalties.

The contest should be a decided asset to Canadian literature offering as it does an opportunity to Canadian writers seldom experi-This time, the contest will be dis- The value of maids over 35 years world. tinctly Canadian.
