The Albert Memorial chapel

Historic Windsor Castle, twenty miles west of London, which will be the final resting place of King George V., also has in the burial vaults below the adjoining chapels of St. George and Albert, the bodies of King Edward VII, and Queen Alexandra, the parents of the late monarch, William IV., George III. and George IV.

The News On Review

The Dominion Government has approved plans for a high level traffic bridge across the Fraser River at New Westminster, B.C., it was announced.

Thousands slain in a savage battle in northern Ethiopia was reported last Thursday in both Rome and Addis Ababa. But each capital said the victims were the enemy, their claims conflicting.

Farmers of Alberta stood solidly behind their organization recently. By an overwhelming majority delegates to the annual meeting of the United Farmers of Alberta voted to carry on in the political arena.

The British Miners' National Delegate Conference, acting to avert a threatened general coal strike, have voted to accept a revised wage offer by mine owners in settlement of the dispute. Wages will be raised by 24 cents a day.

A general strike was declared throughout the State of Puebla in Mexico, last week, paralyzing commercial and industrial activity and causing danger of a food shortage. The strike was called in protest against failure to settle a long-standing labor dispute in a textile factory in Atovac.

British efforts to bring Germany and other additional powers into the four-power naval conference are strongly opposed by the French delegation. The French insist it would be a further violation of military clauses of the Versailles Treaty to permit Germany to sign any agreement.

The London Times reports that Russian suppliers of softwoods to the British market have decided to offer their timber in the same manner as Canadian timber exporters and those of Sweden, Fin-

land and other Baltic countries. The price list of the Russian dealers will be in the hands of the British importers shortly.

"Dumping" of eastern canned milk on the Alberta market is protested in a resolution to the Provincial Government from the Alberta Milk and Cream Producers' Association. Allegedly unfair freight rates from Eastern Canada were discussed at the association's annual convention at Edmonton.

To undertake an extensive investigation of the cost of production and distribution of milk in the Dominion and report to each provincial milk board, the conference on milk control in Canada appointed a committee of three at its recent meeting. The committee includes H. N. Flewelling, secretary of the New Brunswick Dairy Products' Commission.

The forward spurt of the United States steel industry has struck an unexpected blow for the cause of disarmament. Ben Schwartz, general director of the institute of scrap iron and steel, asserted at Chicago. He explained that increased production of steel has lifted the price of scrap iron—a prime material of war—so high that nations find it too expensive.

A new silver dollar, the last to bear the portrait of King George V., will be in circulation soon. Canada's last silver dollar was struck specially to celebrate the jubilee of the King. The new coin will be issued to supply the general demand for silver dollars. When coins bearing the portrait of King Edward VIII are struck later the head will be facing right and not left as is the head of the late King. On the coinage the monarch's head always faces the opposite direction to that of his predecessor.

As a result of certain persons on relief quitting work when they had earned \$5 in a week so that their earnings would not be budgeted, the Public Welfare

Three men have been convicted of negligence in connection with the burning of the steamship Morro Castle off the New Jersey coast in September, 1934. A fed-

Board of Ottawa, has decided that all earnings will in future be budgeted. Complaints were made in regard to relief labor on snow shovelling to the effect that men were quitting work when they earned \$5. The former rule was that only earnings in excess of \$5 were budgeted.

Canada's total trade abroad in the 12 months ended December 31, was up 10 per cent. or more than \$118,000,000 over 1934, according to a report issued by the Dominion Bureau of Statistics. Total trade in the calendar year 1935 amounted to \$1,292,667,376 compared with \$1,173,997,517 in the preceding year. Domestic exports totalled \$729,293,880, imports \$550,314,551 and re-exports \$13,058,946 against domestic exports of \$653,312,288. NEW BRUNSWICK PROTESTANT ORPHANS' HOME

Office: Room 12, 50 Princess Street

JAMES W. BRITAIN, WM. M. CAMPBELL, WM. A. LOCKHART, MRS. J. FRED. EMERY, H. USHER MILLER, President 1st Vice-President 2nd Vice-President 3rd Vice-President Sec'y-Treasurer

SAINT JOHN, N. B.

January 30, 1936.

TO THE PROTESTANT PEOPLE OF NEW BRUNSWICK: LADIES, GENTLEMEN AND CHILDREN:

NEARLY half of the Children now in residence are our wards and available for adoption out; and they are entirely dependent for their necessities upon your generosity. The other half we call nominal boarders, because they each have a relative or guardian or some source, that is able to provide in part for them. True, not more than one-quarter part on the average. The other three-quarters of their support must also come from your generosity.

In the past calendar year 95 new Children were admitted: 60 of them as wards for adoption out and 35 as nominal boarders. During this same time 122 Children have been removed. Of those removed, 65 are today, under agreements of adoption, loved and loving sons and daughters. In 56 instances the circumstances of the relatives or guardians concerned had so changed that it became possible for them to otherwise care for the children. One child passed away, a girl, eleven months old, of pneumonia. In this interval 330 different Children were helped on the road to good citizenship.

The Overdraft on January 1, 1935, was \$40,000.00. On January 1, 1936, the Overdraft was \$42,000.00. This increase of \$2,000.00 all occurred in the month of April, 1935.

Without making any provision to reduce the Overdraft; upon which five-and-one-half per cent. interest is being paid; it is estimated that it will cost about \$60,000.00 to operate during 1936. Where is it to come from? In part as follows: Children's Support, \$4,500.00; Church Collections, \$5,500.00; Investment Income, \$11,500.00; Grand Orange Lodges, \$2,000.00; Knights of Pythias (Saint John), \$500.00. A total of \$24,000.00. Leaving \$36,000.00 to come in as General Contributions. About \$100.00 a day, for every day, Sundays and holidays included. Less than 25 cents per Protestant person per year. Less than \$1.00 per Protestant family per year.

Surely the Protestant people of New Brunswick will immediately and unani-mously respond and meet the needs of these, their own Little Ones.

The Treasurer, P.O. Box 796, Saint John, N. B., awaits the privilege of sending YOU a receipt of thanks for your 1936 contribution.

We remain, on behalf of these Little Ones,

Yours very truly,

JAMES W. BRITAIN, President.
H. USHER MILLER, Secretary.
