Reminiscences of the West.

The distance between Halifax and Digby is 145 miles. The view is deformed with some barren spots, yet the road runs through a fine farming country, which abounds with the choicest productions of the vegetable kingdom.

Chester, Liverpool, Shelburne, Barrington, Yarmouth, Digby, and Bridgetown. They appear to have been gentlemen and christians; but the country was too poor to sustain them. They died, or left the Colony, their heirs were scattered, and many of them fell into the ranks of high churchmen or low non-conformists.

Miscellaneous Items.

CONGRESS.—In the House of Representatives on the 22d inst. Mr. Fuller, of Maine, from the Committee on Commerce, offered a resolution directing the President to open a correspondence with the British government.

MORE ANNEXATION.—The Panama Herald professes to learn from "a good authority" that a treaty has been made between the United States and Ecuador, by which the latter cedes her sovereignty over the Galapagos group of islands to the United States.

THE WAR.—The N. Y. Courier has a long leader, giving a history of the war, which concludes in the following hopeful strain:— "We conclude our remarks for to-day, therefore, with the assurance to our readers, that in our judgment, Sebastopol will fall before the 1st of January.

RESIDENT OF NEW YORK CITY TESTIFIES TO THE GOOD EFFECTS OF DR. MILANE'S CELEBRATED LIVER PILLS. HEAR HIM!

New York, August 30, 1852. This is to certify that I have had the Liver Complaint for five years, during which time I have tried almost all known remedies, but to no purpose. Hearing of Dr. Milane's Celebrated Liver Pills, I concluded to try a box. I did so, and am now almost cured. I think one box more will effect a permanent cure.

The above valuable remedy, also Dr. Milane's Celebrated Vermifuge, can be had at all respectable Drug Stores in this city. Purchasers will please be careful to ask for, and take none but Dr. Milane's Liver Pills. These are other Pills, purporting to be Liver Pills, but before the public.

PROCLAMATION. Friends, countrymen and lovers!—hear me for my cause, and be silent that you may hear; discard prejudice that you may believe, and read facts that you may act intelligently.

B. A. Fahnestock's Vermifuge. THE SAFEST & MOST EFFECTIVE REMEDY FOR WORMS THAT HAS EVER BEEN DISCOVERED. THIS preparation has now been before the public for a quarter of a century. Its great intrinsic merits have steadily advanced the sale and use of it, and it now enjoys a prominent position in the public favor. The unexampled success which has attended its administration in every case where the patient was really afflicted with worms, and the fact that it is not a "nostrum" or "cure all," but a specific for one disease only, certainly renders it worthy of the attention of physicians; a great many of whom having seen, in the course of their practice, the good and remarkable effects resulting from its use, have had the magnanimity to surrender their professional scruples and prescribe it as the best remedy known. Every druggist or physician who has had any curiosity to try it into cases where the Vermifuge has been made use of, can furnish abundant evidence of its efficacy in expelling Worms, and the good effect produced on the general health of the patient. It is mild in its operation, contains no calomel or other dangerous ingredients, and can be given with perfect safety to the most delicate infants. The proprietors have in their possession hundreds of certificates of its good effects, which will be exhibited to any who may wish to see them. For sale by Druggists generally, and wholesale and retail by JOHN NAYLOR, 153 Granville-st. Oct. 21.
