Tract for the Times! JUST OUT OF PRESS. "The Last Confederacy of Gentiles against Israel."

By a Clergyman of the Church of England. RE-PUBLISHED with a Preface, exposing errors of "THE MODERN CRUSADE."

The above is a Scriptural interpretation of Ezekiel's remarkable prophecy against "GOG, the PRINCE OF RUSSIA," or "AUTORAT OF RUSSIA," and shows that He and His hosts will be defeated in the HOLY LAND by the Jewish people, when he shall lead the great ANTI-JEWISH Confederacy of nations, of which all the Prophets speak. Hence, the fallacy of any interpretation of Ezekiel's prophecy, which leads people to expect that Russia will be defeated, and reduced to "one-sixth" by Turkey and her Allies.
