EUROPEAN NEWS. America arrived here on Wednesday,

ews up to June 23rd. ns as far off as ever. Austria or to all her pledges, threatens to esent war one of unexampled nd violence. Austria has not sily with Russia as yet, but no one ntentions and inclinations in that The Allies have not been successattempt to take the Redan and They were repulsed with But we see no foundation The report is at least very un-

for the report that the English lost 4,000 in likely; and it rests on no good authority so far. The Allies were only repulsed; they by no means lost any of their previous acquisitions. In all other parts of the Crimea their operations are meeting with decided success. An amount of provision sufficient to sustain an atmy of 100,000 for three months has been destroyed in the Sea of Azoff. Upwards of 800 vessels, many of them of heavy tonnage, have been taken or burnt or sunk. Much ammunition too has been destroyed, and many

THE BALTIC FLEET has done no great thing as yet. A good many vessels of all sizes have been captured. The destruction of sixteen men at Hango is the most barbar-ous act we have heard of during all this war. Two large Banking establishments in Lon-

don have failed-one to the amount of £500,-000. There has been a great deal of foul play about them both. The agitation for Administrative Reform is

assuming a formidable front.

in Parliament.

Scotland is out of danger. to come into operation on the 1st of July, and, in consequence, every paper not going by mail is a penny cheaper than before. The Marriage Affinity Bill has not passed

Camp Before Sebastorol, June 6. The night passed quietly—that is to say, as

but the shelling was excessively heavy during lossian prisoners and deserters represent heir loss in these battles as enormous. 000 men are spoken of as their loss since the most authentic publications which have ap-

re-opening of the bombardment; 15,000 alone peared in this country. Every one is aware, during the attack the other day. THE AUSTRIANS IN THE PRINCIPALITES.

VIENNA, June 16.—A sad event, which has just occurred at Jassy and been reported here by telegraph, has produced a great sensation in this capital. The Grand Boyard, Constantine Balsh, step-son of the reigning prince, has been killed in a duel by Count Stelberg, a Major in the Austrian Hussars. We do not know yet the details or the cause of this affair, but the victim has left a young widow, who is considered to be one of the belles of the north ridge down to the Careening
