ERYSIPELAS OF EIGHT YEARS DURA-TION CURED!

Copy of a Letter from Geo. Sinclair, Esq.. of is, Canada, dated the 18th July, 1854.

To Professor Holloway, Sir,—I feel a pleasure and a pride in bearing witness to the wonderful benefit I have derived y the use of your inestimable Ointment and Pills. For eight years I suffered unceasingly from attacks of erysipelas; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which affected me both night and day, rendering life a misery to me, as well as to all around,—so services were the total of the surface of the control of t were was the attack. I used several reputed remedies without deriving the least cessation to my misery. At last, I determined to try your Ointment and Pills; after taking them for a few weeks, a visible improvement took place, and I feel except the considerable between the considerable and the consider and I feel considerably better; -in three months, by continuing your medicines, I was completely cured, and now enjoy the best of health.
