SLEEPING ALONE AT NIGHT,

when you roll over in an uneasy manner and reach your arm over the vacant spot alongside of you that should be tenanted by a mate and get up in your sleep and

dreaming that it was the lady to whom you were paying your attentions on the previous evening. But time flies and I return in time to hear some very sweet tunes played on the organ by the little girl, who is a very good musician, after which I go to bed and sleep soundly until morning. The next morning it came on to rain and I did not leave until afternoon and then went down to the widow Young's and spent about two hours

PLAYING WITH THE KIDS

when I made up my mind that I had better go down in the freight instead of on the express on the next morning as I had intended, and I found I had no time to lose. Bill accompanied me and helped me haul the Democrat, and after going back to Mr. Jerry Bell's for some boxes I had left Ernest accompanied me and the two boys helped me up the hill. Just as we got to the top we saw the train steaming through Buchanan's cut and we had to hustle lively to reach the station in time. However we got there just as the train did, all out of breath, and I was glad to climb on board and sink down into one of the nicely cushioned seats nearly exhausted, while the train men loaded on my cart and boxes and we were soon bowling along and reached Fredericton in time where a welcome awaited me from my good wife and all the rest of my friends.

During all these long years in which I have travelled along the Nashwaak notwithstanding the great divergence in religious and political opinions between these good people and ourself there has not been over two per cent. of our subscribers who have gone back on us and not one of those even who has withdrawn his friendship.

Lorenzo Puliston, a Well Known Citizen of Sydney, C. B., Tells How Burdock Blood Bitters Cured Him of Scrofula, Spots, Blemishes, Etc.

DEAR SIRS,—I am thankful to say that through the use of B. B. B. I am strong and healthy to day. I was troubled with Scrofula and Spots and Blemishes all over my body. Being recommended to try B. B. B. I did so, and can positively say that it made a perfect cure. The first bottle was very successful, and before I had taken half of the second I was completely well. I recommend B. B. B. to all comers.
