

Cradle Song.

Years ago my mother sang it
 Crooned it softly sweet and low
 Till I sank in dreamless slumber
 Such as now I rarely know.
 Then turn back O tide of ages
 Bear me on your swell along
 Angel hands turn o'er life's pages
 To my own loved cradle song.
 Stop a mourner here entreats you
 Let me drop a silent tear
 O'er the beauty that has vanished
 Down the path of childhood's year.
 Oft indeed on wings of fancy
 Back where childhood days belong
 I am borne by strains familiar
 'Tis my little cradle song
 I shall see her as she sang it
 In the halcyon days of yore.
 (Chorus.)
 "Rockabye, hush! the angels are com-
 ing,
 Sleep softly, my child, thy mother is
 near
 Secure in the arms of his pure love
 enfolded
 O, then light of my life! there is noth-
 ing to fear."
 Rocking softly in the twilight
 Sitting by the cabin door.
 All life's losses and its crosses
 All its pains and all its tears,
 Washed away in blood that cleanses
 All the never fading years.
 Like spun gold her hair will shimmer,
 Never more the threads of gray
 That I often used to notice
 Ere she went from earth away.
 And I'll know her when I see her
 In that bright and happy throng.
 For I never can forget her,
 Or my own dear cradle song.

Next Season's Potato Crop

Must be planned for now.
 When you next bring a load
 of wood or produce to town,
 come here and get some P. C.
 F. Co's. Potato Phosphate
 and take home with you. It
 is heavy, and hauls easier on
 runners than in the spring
 when the roads are heavy.

Laugh and Grow Fat.

We must laugh before we are
 happy, lest we should die with-
 out having laughed.

It is really laughable to hear
 some people talk and blow about
 other make of stoves being just
 just as good as the

Moffat Stoves.

We know they never took the
 trouble to spend 5 minutes to
 thoroughly examine them and
 compare points.

Progression is the order of
 the day and the Moffat People
 have taken advantage of the
 times and produced at a large
 outlay an up-to-date stove, and
 it is all right.

Please call and examine them
 in our ware rooms, the nicest
 show rooms in the city.

We have just landed another
 car load, so we can afford to
 laugh too when you make a
 comparison,
