NOTES FROM UMSLAGOOGAS.

From Our Special Correspondent.
UMSLAGOOGAS, Sept. 2, 1905.

Just a few words to my friend the Editor.

The Umaslagoogas mill is still slaughtering cedar.

We can boast a departmental store, in that it departs from all ordinary customs and prices.

Choke cherries are on the wane, but cucumbers and tomatoes more than fill the bill.

You cannot get in the store while a certain passenger boat is at the wharf. I wonder why?

The Temperance picnic was a perfect success in every way; surpassed any previous record. All temperance people and those that could not fight stayed home.

The summer visitors are wending their way homeward now that the buckwheat is all killed.

Mrs. A. F. Lovely and Miss Annie R. Long are visiting their parents at East Florenceville for a few weeks.

Little Manzer, have you seen him? Would you know him any where?

The "Clerkee" was gloomy and disappointed because a certain tug boatman did not get Chased hard enough in the last journal.

Harvesting is progressing favourably in the suburbs but the crops are very light. The farmers are talking of forming a mail order department with a threshing machine at the other end.

Peace has been concluded in the Umslagoogas Almshouse.

An inhabitant of the Banger house looked sad at the parting of the ways.

Ruinette has blossomed forth in new robes, and the addition of a laundry adds lustre and expense for the youths.

DO YOU KNOW THAT BACKACHE IS THE FIRST SYMPTOM OF KIDNEY TROUBLE.

It is! and you cannot be too careful about it.

A little backache let run will finally cause serious kidney trouble. Stop it in time.

TAKE DOAN'S KIDNEY PILLS.

They cure where all others fail. As a specific for Backaches and Kidney Troubles they have no equal. Here is what

MR. GEO. H. SOMERVILLE,

of Stewarton, N.B., writes: "I was so troubled with a sore back I could not get out of bed in the mornings for over a year. I got a box of Doan's Kidney Pills and before I had them half taken I could see I was deriving some benefit from them, and before I had taken them all my back was O.K. and I have not been troubled since."

Howard would thank the editor for a baseball mask for use in the fire house, having got his nose bumped with blocks.

Alf wears a brilliant smile while nearing the C isis.

Miss Allie Magee is visiting her sister Mrs. R. Smith.

Jack is not going to the western fields of wheat, rumor says that he prefers the eastern Banks of Violets.

C. W. Shields is no better and 'Billy' is just a shade worse.

The editor is very badly needed at his old job surely a two dollar job ought to pay one dollar.

The "Dew drop" is again receiving boarders.

Burton appeared in our midst, and somewhat resembled the ghost he told the girls about.

Our engineer will know how to pity the old editor on his pilgrimage during the summer, owing to the lady members of his household being up river on a protracted visit, he is forced to the expedient of keeping "Bachelors Hall."

The Autumn winds are sighing through the swiftly blushing trees
And gathering mists and fog and dew
Comes borne upon the breeze
Soon stripped will be the trees; the
Fields all covered up with snow
In the town of Umslagoogas
Where the balmy breezes blow.
