THE MILLINER'S FORTUNE CHAPTER XV.

A WOMAN'S TRUTH.

readers ? fall grew heavy within him. His love as well as his inclination said to him

'Go to Ruth Mowbray, tell her how strongly and tenderly you love her! Tell her that without her, life will be worse than her pride.'

that said:

choose for herself. You do not wish to take for a wife one who has a single thought or feeling reaching out after other shines. Wait.'

It was a beautiful September evening. The moon rose from out the bosom of a ridge of dense black clouds, and gave to the sable draperies of the east a silver fringe. The western heavens were clear, and gemmed with stars-there was no wind to stir the leaves with murmurous versal heart of Nature was at peace. But there was one who took no rest-

one whose whole soul was in tumult. hind the church, walked John Rutherford; his face pale and stormy; his arms folded nation. in the semblance of resignation upon a resignation within.

his clenched hand.

from the source from whence he never said failed to receive it.

He turned to enter the house, where he might spend his night of sorrow alone. A hand was laid lightly on his arm. He brow, her deep, earnest eyes were lifted to his. There was no guile, no shrinking, in those calm, truthful ords. He took both her hands in his, and said, simply

· Well, Ruth, I have waited for you.' 'And I could not stay away longer, John. I hoped you would come to me. but you did not; and now that I have doctor. He took Winifred gently by the ousy, but only content when the older come you will not think me bold and for arm, and led her to an easy chair in a friendship between Mrs. Rutherford and

'No, Lady Ruth.' 'Lady Ruth! never call me thus again! I renounce all claim to rank and title. John. There is but one earth y throne where I covet to reign!

'And that is where?'

' In your heart!' returned to us from the dead

not leave her humble lover for British guished. titles and British gold!"

'Never, John, how could you think so?' she said, seriously and fervently.

while she went on:

'I have empowered Mr. Montague to dwelt on his face. dispose of my new inheritance, and transmit to me the proceeds. We can do a great deal of good with all that money fully he examined those shrinking eyes John. Providence has given it to us for How particular he was not to agitate her that purpose. The title I relinquish to by word or motion! my young cousin across the seas, who has a handsome share of the heritage. I can patient waiter—he call Horace, and to his afford to give up an empty name, when I rapid inquiries replied encouraginly:

At last—it seemed an age to the impatient of the impatient waiter—he call Horace, and to his ply at the office of afford to give up an empty name, when I rapid inquiries replied encouraginly: have you and your love instead.

Think you John Rutherford was happy Two months later, there was a wedding in the little Church of Windfall. The pale browed young clergyman, and the blue-eyed milliner were made, before God, 'one flesh.'

People wondered, as people often will Meddling once censured Ruth for relinquishing her right to be called my lady, and ambitious maidens wondered how she could bear to sell those fine old English castles, with their broad acres, without once seeing them. But Ruth regretted nothing. She was too happy for regrets-too full of peace to feel unrest. The life of John Rutherford and his wife was blessed

CHAPTER XVI.

DARKNESS AND DAWN.

Horace Vernon, in his noble, generous love, but yearned the more tenderly over Winifred on account of her blindness: he hungered to be to that shadowed life all in all -to place his sight, his reason, his existence-all that he had-at her service.

And it was not long before he told her so. He would make any sacrifice; wait any length of time; endure any degree of Dr. Gerard. The place was cleared of all probation-if she would only give him attendants. Not even Horace was allowone little ray of hope to cling to! He did ed to remain. not ask her to be his then-he would give | The head of the patient was supported her time-that she might learn to love on the breast of the surgeon. Dead silhim-learn to feel toward him the affec- ence reigned-neither spoke a word; tion that would be to him the foretaste of there was too much at stake.

beautiful face grew paler and sadder, she quivered, though the unspeakable anxiety Received to-day sorrowed over the pain she must inflict. of his feelings made his face white and She did not answer him directly, but stern spoke of her misfortune. She was helpless and blind, she said, of what value could her existence be to any one? She The doctor bent down over her. husband could hope for neither pride nor joyfully. 'I see! Oh God, whom do I see?

would only be a drawback, in which a pleasure. Vernon replied passionately: Is this an illusion? Is Gerard Middleton 'Winifred, my love is the stronger on before me?' that account! for that my heart longs for you yet more tenderly and powerfully. faintly in from a shaded window. There INSERTIONS. You, blinded as you are, helpless as you was a mighty struggle in his breast, and would make me believe you are, are he was powerless to conquer it. His

TO THE ELECTORS

County of York.

mons that I have had the honer of holding for ten years. It would be somewhat strange if dur-ing that period, I had not made some mistakes, and at the same time, offended some person in the whole Dominion, at the same time to keep our rovincial interests always in view, and to support such measures as in my judgement would tend to our local advancement. Our interests are varied, and to legislate and bring the whole into harmony is to my mind a problem yet to be solv. d. The building of Railroads and Canals, giving us an internal communication for the Commerce of the country, will help its solution;

successfully. When we look at the vastness of our territory, extending from the Atlantic to the Pacific Ocean, and the millions of acres of Prairie land, resting or waiting for man to cultivate and bring into life, we pause with wonder what to do! We dare not falter, we must go forward. Years must roll around before we shall reap our reward. Our debt must vastly increase until our jopulation reach eight to ten millions or more. Perhaps then our Revenues will increase faster than our expenditure, without increasing our Taxes, or tink ring at our Tariff yearly ommercial crisis, almost without a pause; and prosperous stand point; only the practice of strict economy at home and abroad can help us to reach it. Let us start life anew, with willing hands and hearts, strong to brave the storm fo adversity. We have grumblers on every hand; let them grumble; it will be less work to carry them along than to stop to satisty or attempt t make them understand. We have other mor of Gold. Drop them. The world will soon roll over them and hide them from our view. I thank you, Gentlemen, for your confidence in the past; I now ask you for a renewal of that confidence; and I hope that my course in dealing with the trust that rounded to row he red.

with the trust that you placed in my hands ten years ago, has been such as to justify the re-quest. I believe that I have acted in the past elect some one in my stead, I can only say to you that I will bow to your decision without a protest. I will join with you in aiding your representative to fill the responsible position in such a way that will at least tend to elevate us as a portion of the Domion in the eyes of the resolu-I shall ever remain,

Yours faithfully. Fredericton, July 27, 1878.

Centlemen Electors

It was near midnight, he knew, for the clock on the neighboring steeple had just given the warning. He had hoped against hope for some message from little Ruth. The hope was dead now, and in its place had come despair.

It was near midnight, he knew, for the the third day the fair patient, attended by her friend, was ushered into the doctor's presence.

It was near midnight, he knew, for the the third day the fair patient, attended by her friend, was ushered into the doctor's presence.

It was near midnight, he knew, for the the third day the fair patient, attended by her friend, was ushered into the doctor's presence.

It was near midnight, he knew, for the third day the fair patient, attended by her friend, was ushered into the doctor's presence.

It was near midnight, he knew, for the third day the fair patient, attended by her friend, was ushered into the doctor's presence.

It was near midnight, he knew, for the third day the fair patient, attended by her friend, was ushered into the doctor's presence.

It was near midnight, he knew, for the third day the fair patient, attended by her friend, was ushered into the doctor's presence.

It was near midnight, he knew, for the third day the fair patient, attended by human beings in his heart. But peace of mind never came. His heart had an unfilled void.

At length he had read in an American paper of the duel and subsequent death of thousands of the day the fair patient, attended by human beings in his heart. But peace of line in the house of Commons. I may tell you trankfilled void.

At length he had read in an American paper of the duel and subsequent death of the day the fair patient, attended by human beings in his heart. But peace of line in the house of Commons. I may tell you trankfilled void.

At length he had read in an American paper of the duel and subsequent death of the day the fair patient, was not at the paper of the day the fair patient, was not at the paper of the day the fair patient, was not at the paper of the day the fair paper of the day the As soon as Parliament is dissolved, I shall commence to visit the various localities throughout the County, and give my velws upon Dominion matters, as well as expose, to the best of my ability, the reign of mal-administration which has marked the career of the Mackenzie regime. In the mean time, I ask you not to pledge yourselves to any other candidate.

I have the honor to be, Gentlemen, Your obedient servant,

C. H. B. FISHER.
