Courtney, the oarsman, is hard at work at his trade of carpentry in Union Springs, N. Y. While raising a heavy stone to go into the foundation wall of an addition to his shop the other day, he was heard to say:—"If I had Monday & Tuesday made that \$50,000 at Lachine which some people tell of, I shouldn't be working like this." During the last season Courtney and his brother bought the boat-house of the disorganized Union Springs Rowing Club, and have just moved it to make an addition to their saw-mill.

What other preparations fail to do. Hall's Hair Renewer surely accomplishes. It renews the hair and especially restores its color and gray and faded. As a dressing it is unscrpassed, making the hair moist soft and glossy. The most economical preparations ever offered, its effects remain a long time, and those who have once made a trial of it will never use any other.—Advertiser and Union, Fredoma, N. Y.

JAMES S. NEILL F'top, Nov. 9.-2 mos. Rep. Wkly Star. Ayer's Cathartic Pills, For all the purposes of a Family Physic, and for curing Costiveness, Jaundice, Indigestion, Foul Stomach, Breath, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Biliousness, Dropsy, Tumors, Worms, Neuralgia, as a Dinner Pill, for Purifying the Blood,

ing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health. AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less

than the common purgatives, and never

give pain when the bowels are not inflamed.

They reach the vital fountains of the blood

and strengthen the system by freeing from the elements of weakness, Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.
