A base ball match was played on Wednesday last between the Mutuals and Univerity nine. The game stood--six innings--Mutuals 23; University 10.

The music of the Reform Club Band on Tue levening last was well received by a large number of our citizens. It is to be hoped that the band will give these concerts weekly during the summer months.

The 71st York Batt. Band headed the Odd Fellows' procession in St. John, on Thursday last. We notice by the papers of that city the when playing a programme with the st. John Bands, that the 71st had to repeat everal of their pieces. This is creditable to he leader, Mr. Bryson, and the members of the Band.

FIRE IN MONTREAL

The late telegrams bring news of a fearful conflagaration in Montreal. They are as follows :-

MONTREAL, June 25, 2 a.m. The largest fire that has taken place here for years broke out a little before one o'clock this morning.

It has already destroyed Ives & Allan's Foundry on Queen street, and threatens the western section of the city where the large warehouses are situated.

The loss already is \$80,000, and the fire is still raging, although the whole fire brigade is engaged fighting the flames.

MONTREAL, June 22, 2.30 a.m. At 2.30 o'clock the fire is still as fierce as ever. Ewing's coffee and spice mills and warehouses are destroyed; loss \$30,000. A firman named Mangan, of No. 2 station. was seriously hurt by a falling wall. The losses so far will be principally on the

English and Canadian offices. MONTREAL, June 22. At 3.40 a. m. all the fire is under control.

An Astonishing Fact.-A large proportion of the American people are to-day dying from the effect of Dyspepsia or disordered liver.
The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life actually a burden instand of a pleasant existence of enjoyment and usefulness as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism, take the advice of Druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case You can buy a sample bottle for 10 cents to try. Three doses will relieve the worst case. Positively sold by all Druggists on the Western Continent.

DAVIS & DIBBLEE, Agents, Fredericton. A leading medical authority says :-- "Consumption is essentially a disease of degenera tion and decay. So it may be inferred that the treatment for the most part should be of a sustaining and invigorating character— nutritious food, pure, dry air, with such varied and moderate exercise in it as the strength will bear, the enlivening influence of bright sunshine and agreeable scenery, and cheerful society and occupation, aided by a judicious use of medical tonics and stimulants, are among the means best suited to reatore the defective functions and structures of frames

prone to decay." WE will be pleased to furnish as many constoners as will call, with any or all Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime by Lwer Oil with Lacto-Phosphate of Lime by its gently stimulating and nutrative tonic properties is adapted in an eminent degree to this office of restoring the "defective functions and structures," as the number of cases in which it has been so successfully used, together with its short record of a few months, that has placed it in the foremost ranks of proprietary remedies will fully testify.

Prepared solely by J. H. Robinson, Pharmaceutical Chemist, St. John, N. B., and for sale by Druggists and General Dealers.
