ENJOY LIFE.—Nature gives us grandeur of mountains, glens and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving up disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaint is the direct cause of seventy-five per cent of such maladies as Billiousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart and other distressing symptoms. Three doses or August Flower will prove its wonderful effect. Sample bottles 10 cents. Try it. Davis & Dibble, Agents for Fredericton.

A leading medical authority says:—"*Consumption* is essentially a disease of *degeneration* and *decay*. So it may be inferred that the treatment for the most part should be of a *sustaining* and *invigorating* character—nutritious food, pure, dry air, with such varied and moderate exercise in it as the strength will bear, the enlivening influence of bright sunshine and agreeable scenery, and cheerful society and occupation, aided by a judicious use of *medical tonics and stimulants*, are among the means best suited to reatore the defective functions and structures of frames *prone to decay*."

Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Thosphate of Lime by its gently *stimulating and nutrative tonic* properties is adapted in an eminent degree to this office of restoring the "defective functions and structures," as the number of cases in which it has been so successfully used, together with its short record of a few months, that has placed it in the *foremost ranks of proprietary remedies* will fully testify.

Prepared solely by J. H. Robinson, Pharmaceutical Chemist, St. John, N. B., and for sale by Druggists and General Dealers. Price $1.00 per bottle; six bottles for $5.00

TO THE ELECTORS
OF THE
County of York.

GENTLEMEN:—

In a short time you will be called upon to elect some person to fill the seat in the House of Commons that I have had the honor of holding for ten years. It would be somewhat strange if during that period, I had not made some mistakes, and at the same time, offended some person in the discharge of my public duty. It has been my aim to do the best to further the welfare of the whole Dominion, at the same time to keep our Provincial interests always in view, and to support such measures as in my judgement would tend to our local advancement. Our interests are varied, and to legislate and bring the whole into harmony is to my mind a problem yet to be solved. The building of Railroads and Canals, giving us an internal communication for the Commerce of the country, will help its solution; but it will take time and money to work it out successfully. When we look at the vastness of our territory, extending from the Atlantic to the Pacific Ocean, and the millions of acres of Prairie land, resting or waiting for man to cultivate and bring into life, we pause with wonder what to do! We dare not later, we must go forward. Years must roll around before we shall reap our reward. Our debt must vastly increase until our population reach eight to ten millions or more. Perhaps then our Revenues will increase faster than our expenditure, without increasing our Taxes, or thinking at our Tariff yearly, giving dissatisfied politicians opportunity to make capital out of the changes. During the last five years we have been wading deep in a commercial crisis, almost without a pause; and not only we, but all the nations of the world. There has been depression on every side, and a want of confidence in everything that attempts to move. No legislation can bring us up to a prosperous stand point; only the practice of strict economy at home and abroad can help us to reach it. Let us start life anew, with willing hands and hearts, strong to brave the storm of adversity. We have grumblers on every hand; let them grumble; it will be less work to carry them along than to stop to satisfy or attempt to make them understand. We have other more deadly foes who are prowling around looking after the Loaves and the Fishes, and the Wedge of Gold. Drop them. The world will soon roll over them and hide them from our view. I thank you, Gentlemen, for your confidence in the past; I now ask you for a renewal of that confidence; and I hope that my course in dealing with the trust that you placed in my hands ten years ago, has been such as to justify the request. I believe that I have acted in the past with a desire to advance your interests. If elected I shall endeavor, aided by ten years experience, to do all that I can to promote your general welfare. If on the contrary you decide to elect some one in my stead, I can only say to you that I will bow to your decision without a protest. I will join with you in aiding your representative to fill the responsible position in such a way that will at least tend to elevate us as a portion of the Dominion in the eyes of the world, without attempting to lower by word or deed any person in order to build myself up. I shall endeavor to see you all, if possible, before the election, in your districts. Should I fail go to the polls and deposit your ballots in my favor.

I shall ever remain,
Yours faithfully,
JOHN PICKARD.

Plans, Specifications, &c., can be seen at this office, and at the office of Messrs. McKean and Fairweather, Architects, Saint John, N. B., on and after MONDAY, the 15th inst., where forms of tender &c., and all necessary information can be obtained.

Contractors are notified that tenders will not be considered unless made strictly in accordance with the printed forms, and—in the case of firms—unless there are attached the actual signature and the nature of the occupation and place of residence of each member of the same.

For the due fulfilment of the contract, satisfactory security will be required on real estate, or by deposit of money, public or municipal securities, or bank stocks, to an amount of *five per cent.* on the bulk sum of the contract.

To the Tender must be attached the actual signatures of two responsible and solvent persons, residents of the Dominion, willing to become sureties for the carrying out of these conditions, as well as the due performace of the works embraced in the contract.

This Department does not, however, bind itself to accept the lowest or any Tender.

Gentlemen Electors
OF THE
County of York.

I SHALL be a Candidate at the approaching Election for the representation of this County in the house of Commons. I may tell you frankly that I am opposed to the present Administration, believing that its policy from the beginning, and all along, has been one detrimental to the interests of the Dominion, and fraught with ruin to the whole Country.

As soon as Parliament is dissolved, I shall commence to visit the various localities throughout the County, and give my views upon Dominion matters, as well as expose, to the best of my ability, the reign of mal-administration which has marked the career of the Mackenzie regime. In the mean time, I ask you not to pledge yourselves to any other candidate.

I have the honor to be, Gentlemen,
Your obedient servant,
C. H. B. FISHER.
