A REMARKABLE RESULT.—It makes no difference how many Physicians, or how much medicine you have tried, it is now an established fact that German Syrup is the only remedy which has given complete satisfaction in severe cases of Lung Diseases. It is true there are yet thousands of persons who are predisposed to Throat and Lung Affections, Consumption, Hemorrhages, Asthma, Severe Colds settled on the Breast, Pneumonia, Whooping Cough, &c., who have no personal knowledge of Boschee's German Syrup. To such we would say that 50,000 dozen were sold last year without one complaint. Consumptives try just one bottle. Regular size 75 cents. Sold by all Druggists in America.

BY THE HARD DRY COUGH OF CHRONIC DULL BRONCHITIS, with its difficult expectoration and labored breathing, the demulcent pro-perties of Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime manifests itself in its healing and soothing effect upon the irritated mucous membranes of the Bronchial passages; the cough quickly yields the breathing is eased, while Nature, thus aided reasserts herself, and where once

gaunt Consumption stared the victim in the face, now Hope beckons on to life and health.

Prepared solely by J. H. Robinson, Pharmaceutical Chemist, St. John, N. B., and for sale by Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00
