VENNORS BULLETIN .- After an early fall snow we shall probably have a beautiful "Indian Summer" in the months of October, and winter will set in early in November, with an abundance of snow from the outset. IN THE HARD DRY COUGH OF CHRONIC BRONCHITIS, with its difficult expectoration

and labored breathing, the demulcent properties of Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime manifests itself in its healing and soothing effect upon the irritated mucous membranes of the Bronchial passages; the cough quickly return free. yields, the breathing is eased, while Nature, thus aided reasserts herself, and where once gaunt Consumption stared the victim in the face, now Hope beckons on to life and health.

Prepared solely by J. H. Robinson, Pharmaceutical Chemist, St. John, N. B., and maceutical Chemist, St. John, N. B., and where once gaunt Consumption stared the victim in the face, now Hope beckons on to life and health.

Enjoy Life.—Nature gives us grandeur of mountains, glens and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving up disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaint is the direct cause of seventy-five per cent of such maladies as Billiousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses or August Flower will prove its wonderful effect. Sample bottles 10 cents. Try it. Davis & Dibble, Agents for Fredericton.

#### Marriages.

OTTAWA RIVER. Notice to Contractors.

CEALED TENDERS addressed to the Secretary of Public Works, and endorsed "Tender for Canal and Lock at St. Anne," will be received at this office until the arrival of the Eastern and western mails on TUESDAY, the STH DAY OF OCTOBER next, for the construction of a Lock and the formation of approaches to it on the landward side of the present Lock at St. Anne. A map of the locality, together with plans and specifications of the works to be done, can be seen at this office, and at the Resident Engineer's office, St. Ann's on and after TUESDAY, the 24th DAY OF SEPTEMBER next, at either of which places printed forms of Tender can be obtained. Contractors are requested to bear in mind that

the rates and on the terms stated in the offer subtory security will be required by the deposit of money te the amount of five per cent. on the bulk sum of the contract; of which the sum sent in with the Tender will be considered a part. Ninty per cent. only of the progress estimates will be paid until the completion of the work.

To each Tender must be attached the actual signatures of two responsible and solvent per-

works embraced in the Contract.
This Department does not, however, bind elf to accept the lowest or any tender.

WE are instructed to offer the following Lors hand will all the remnants STILL LOWER to P. McPeake,
