Young Fitzgerald came of a family "over which the name of Afghanistan hangs like the shadow of the destroying angel." Exposition of 1876. - Wandering through the United States section of this truly wonderful Exhibition, hyperornamented and over-displayed as the most of it is, I came upon an elegant glass case, whose modesty was the more conspicuous from its neighbors' finery, surmounted by the motto Dignis Praemia and displaying, in neat packages, the medical preparations of the house of Dr. J. C. AYER & Co., Lowell, Mass.

I was aware of the world-wide reputation of this eminent firm, for the character and quality of their goods and remember well their agents in London, Messrs. Newberry, in St. Paul's Churchyard. Having a leisure hour, I determined to examine the contents of his case, myself, and I was surprised to see of his case, myself, and I was surprised to see the delicate perfection to which they have brought their household remedies. I was chagrined at the reflection that, while we have at home the most skilful and, pre-eminently, the best physicians in the world, these Yankee doctors distance us so far in the line of popular medicines for family use. They have the sharpness to take advantage of the high scientific discoveries among us and make pills and potions as palatable as they are salutary. I was told by a leading druggist in Philadelphia, that Dr. AYER's manufactory was the largest in America, giving employment to hundreds. I must go to Lowell and see it, on my way home.—Correspondence of the London (Eng.) Telegraph.

LIVER IS KING .- The Liveris the imperia organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed in its proper action, all kinds of ailments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system, are all immediately connected with the workings of the Liver. It has been successfully proved that Green's August Flower is unequalled in curing all persons afflicted with Dyspepsia or Liver Complaint, and all the numerous symptoms that result from an unbealthy condition of the Liver and Stomach.
