Off For Minneapolis.

On Monday, Mr. Fred Bliss, of the firm of Black, Jordan & Bliss, leaves for Minneapolis, where he will be married to Miss Grant, well known in this city, on the 27th inst. Mr. Bliss and bride on their return will reside at Mrs. Allen's Waterloo Row.

A Quiet Wedding.

A quiet wedding took place at the residence of the Misses Cummings, King street, Wednesday afternoon last when Miss Janet Cummings, second daughter of the late Andrew Cummings, and Daniel Jordan, Q. C., of the firm of Black, Jordan & Bliss, were united in marriage. The Rev. Wilbur McDonald officiated. They were unattended. Only a few immediate friends witnessed the ceremony. The happy couple left by the afternoon train for St. John where they will spend their honeymoon. Among the presents received by the bride was a handsome marbleized iron clock, presented by the board of the Royal Hotel, at which house the groom had boarded eleven years and had won the respect and esteem of all the house. The Groom joins their numerous friends in their hearty congratulations and wishes Mr. and Mrs. Jordan a long happy and prosperous life.

AT THE QUEEN.

The Dinner Given in Honor of the Hon. A. G. Blair a Pronounced Success.

The dinner given to Hon. A. G. Blair by his friends in this city, at the Queen Hotel, Thursday evening, was a pronounced success, over one hundred guests being present. The tables were beautiful, ly decorated, and the menu could not be excelled. On the front of each man's card was a photograph of the guest of the evening, the card forming a beautiful novelty of the occasion for each person present.

Sheriff Sterling presided, while on his right were seated Hon. A. G. Blair, the guest of the evening, Judge Steadman, Lieut. Col. Mansell, D. F. George, J. H. Barry and Dr. Coburn. At the left was the Bishop of Fredericton, Hon. James Mitchell, Dr. Harrison and Dr. Inch.

The first vice chair was occupied by Dr. Coulthard; at his right were seated Hon. A. S. White and Wm. Wilson. To the left were Hon. H. A. Connell and C. H. Labllois. The second vice chair was filled by Mr. Geo. A. Hughes. To his right were Hon. L. J. Tweedie, Jas. Robinson, M. P. P. T. C. Allen and Geo. Y. Dibble, while Hon. H. K. Emmerson and Inspector Bridges were seated at the left.

Letters of regret were read from Sir Leonard Tilley, Senator McLellan, Hon. Wm. Pugsley, E. J. Smith of Shediac and Judge Fraser.

List of the Toasts.

1. "The Queen," proposed by the chairman.

2. "The Governor General," proposed by the first vice.

3. "The Lieut. Governor," proposed by the second vice.

The Hon. James Mitchell responded in most eloquent terms.

4. "The guest of the evening," proposed by the chairman.

The Attorney General, in responding spoke most feelingly, expressing the deep regret he felt at severing his connexion with his old friends in this city and county. He was cheered to the echo as he resumed his seat.

Mr. H. V. B. Bridges followed with a song, which he rendered in his usual fine style.

5. "The Executive Government of New Brunswick," proposed by second vice.

This toast was responded to by the Hon. Messrs. Tweedie, Emmerson and Richard.

Mr. L. C. Macnutt then favored the party with a song.

6. "The Legislature," proposed by the chairman, was responded to by ex-speaker White.

H. V. B. Bridges was then called upon for another one of his favorite songs.

7. "The Bench and Bar," proposed by the first vice, was ably responded to by T. C. Allen, G. A. Hughes, J. H. Barry and Arthur Elbett.

8. "Ex-members" proposed by second vice. To this toast Messrs. Wilson, Colter and Hetherington responded.

Another song from the editor of the Farmer was loudly applauded.

9. "The Clergy," proposed by the first vice, was ably responded to by Rev. J. C. McDevitt.

A duet followed by Messrs. Macnutt and Bridges.

10. "Educational Institutions," proposed by the chairman. Dr. Inch responded to this toast and handled the subject in a manner that showed he was right at home on the question.

"City Council," proposed by the first vice, was responded to by Aids. Farrell and Macnutt.

H. V. B. Bridges was again called upon for another song.

12. "Manufacturing Industries," proposed by first vice was responded to by Hon. F. P. Thompson and F. B. Edgecombe for the commercial interests.

13. "Medical Profession," Drs. Coulthard, Currie and Brown were the respondents.

14. Macnutt then favored them with another song.

15. "The Press," responded to by Mr. L. C. Macnutt.

16. "The Host," proposed by the chairman was responded to by Mr. Edwards in an appropriate manner.

The evening was thoroughly enjoyed by all present, the only drawback being the fact that the dinner was to commemorate the departure of the Hon. A. G. Blair, a York County boy, from his native city and county. There is no doubt but that he will be greatly missed.

The F. O. M. W. rendered some excellent music.

The gathering broke up about 3 a. m.

TOPICS OF THE DAY.

What the Gossips have to Remark about

The Trend of Matters Political Parliamentary or Otherwise.

Some Touch-and-Go notices of all Mentionable Manner of Things.

It is currently reported that the Hon. George F. Hill will be offered the Speakership in the next House of Assembly.

The snow has at last made its appearance and now our city presents a truly holiday aspect. A little more of the beautiful, accompanied by fine cold weather, would bring joy to the hearts of our people and dollars to the cash drawers of our advertisers. The leading merchants in the city advertise in the columns of the GLOBE and the public generally will be greatly benefited by reading our advertisements before starting out for their holiday gifts.

The Knights of Pythias having failed to come to terms with Messrs. Howard & Crangle with regard to leasing the hall in the new Howard & Crangle building, are negotiating with Messrs. Fisher & Fisher for the hall in the Fisher building on the corner of Queen and York streets. Should the Knights accept the proposition made by one of the firm to put a mansard roof on the building and add all other necessary improvements, the Order will have a hall second to none in the province, and that at terms most reasonable. The matter is now in the hands of the trustees who will report at the next regular meeting. The majority of the members are in favor of the Fisher building, owing largely to the fact of the entrance being on Queen street, while that in the Howard & Crangle building is on a side street.

The editor of the Reporter and representative for York, is undoubtedly feeling mad at the action taken by the GLOBE in the late election, and has cut off his exchange list. We are sorry that Brother Pitts should think so hard of the "mug-wump" orangemen, as he calls all members who refused to countenance the methods used by him for the purpose of securing his election. The GLOBE suffered this great loss three or four weeks ago but failed to discover it until this week.

"What Could be Better?"

Yes, what could be better for a present at Christmas than one of those handsome dresses that are selling so cheap at Edgecombe's, or a nice cloth, astracan or seal jacket, or if your purse is large enough, "We know your heart is willing," what a comfortable present for father or Brother John, or your pastor; don't forget him, you know; and then a new overcoat for Harry and Tom would be the correct thing, and Fred B. Edgecombe's is about the only place you can buy these goods in correct styles and at the right prices. And don't forget the girls. They have cast many a longing look at those elegant fans in the show case there, and as Mattie and Hattie will make their "debut" in society this winter, what could be more suitable? There certainly will be no trouble in getting something to suit all your sisters, your cousins and your aunts, not to say your nearer relatives and those you like best at 192 and 194 Queen street.

Official Notices.—New Brunswick.

1. CLOSE OF TERM.—With the consent of the Trustees, Saturday December 17th, may be substituted as a teaching day for Friday, December 23rd, in order to enable Teachers to reach their homes before Christmas. The first teaching day of the next Term will be Monday, January 9th, 1893.

1. SCHOOL RETURNS.—To maintain uniformity in making up general averages, per centage, etc., the following methods shall be observed.

(a) Lost Days.—When a pupil has been once enrolled he should be regarded as belonging to the school until the teacher shall have received reliable information, either by notice from parent, or guardian, or other authoritative source, that the pupil will not probably return to the school during the rest of the term. In such case the absences of such pupil from the date of his enrolment to the date of notice of withdrawal, shall be reckoned as his lost days for the term.

(b) TARDINESS.—Pupils who come to the school by railways, or other public conveyances, and who cannot reach the school until after the hour of opening, shall not be marked as tardy in the usual column. In such cases an asterisk preceding the names of such pupils may direct attention to a foot-note explaining the circumstances.

3. TEXT-BOOKS.—(a) The New Brunswick edition of Spotton's High School Botany will be published early in January; but Gray's How Plants Grow may continue to be used for the first Term of 1893.

(b) A new edition of the Modern school Geography will be published early in January. As the new edition will differ in some respects from the old, care must be observed to avoid, as far as may be possible, inconvenience and expense in the transition from one to the other. It is desirable that the new edition be introduced into all the schools as early as may be consistent, with a due regard to the interests of both parents and children.

(c) The subject in English Literature for examination for First Class in 1893 is: "Selections from Tennyson; with Introductions and Notes by J. E. Wetherell, B. A. Gage & Co., Toronto.

4. SCHOOL MANUAL.—A new edition of the School Manual is now passing through the press, and will be issued early in the new year. Copies will be mailed to Trustees and Teachers throughout the Province. The edition of 1887 is now exhausted, and can no longer be supplied by the Department.
